NEW UPDATE!

August 6, 2015

To: Local Residents and Property owners

From: Polk County Public Works Department

Re: **Information concerning the NW/NE Aurora Ave. Asphalt resurfacing project.**

We are proud to announce that the asphalt resurfacing for the entire project is now complete. We appreciate everyone's cooperation and patience during the road closures and the construction process.

Some clean-up type work does remain, such as placing granular shoulders where appropriate, placement of pavement markings, and adjustment of mailboxes. This clean-up work is not anticipated to require any further road closures, but may require short one-lane closures during daylight hours.

If you have additional questions or comments regarding the project please contact:
