

OPEN BURNING WITHIN THE CITY OF DES MOINES

Created: April 25, 2014 Effective: Immediately
From the Office of the Fire Prevention Bureau – Phone (515) 283-4240

Open burning within the City of Des Moines is not allowed without a permit. The State of Iowa Administrative Code 567-23.2(455B) governs open burning within the City of Des Moines along with Polk County Board of Health Rules and Regulations Chapter 5 Air Pollution and the City of Des Moines Municipal Code 46-1(g).

The City of Des Moines burn permit request process depends on whether you live in Polk or Warren County, instructions are below:

Polk County

All requests for permits to open burn within the City of Des Moines in Polk County must be made to:

Polk County Air Quality Division
5885 NE 14th Street
Des Moines, Iowa 50313
Attn: Jeremy Becker
Office: (515) 286-3705
Fax: (515) 286-3437

Warren County

Requests for recreational/bonfire and flag burning permits within the City of Des Moines in Warren County must be made by submitting an application form, found on the City of Des Moines website:

<http://www.dmgov.org/Departments/Fire/PDF/City%20of%20Des%20Moines%20-%20Warren%20County%20Burn%20Permit%20Application.pdf>

Requests for any other type of burning must be made to:

Iowa DNR Air Quality Bureau
7900 Hickman Rd
Windsor Heights, IA 50324
Office: (515) 725-9500

Or contact Dennis Thielen with the Iowa DNR directly at 515-725-9545

Any comments or questions regarding the above information may be submitted to:
