We have an exciting opportunity for you to support the Wheelin' Sportsmen program with the National Wild Turkey Federation as well as promote your business.

The Wheelin' Sportsmen program provides all people with disabilities opportunities to enjoy the outdoors. These events help participants gain a sense of independence by learning to stay active in the outdoors on their own between Wheelin' Sportsmen events. Event participants can enjoy activities like hunting, fishing and shooting. Every year, the Central Iowa Long Spurs, a Des Moines Chapter of the NWTF, host a Spring turkey hunt for disabled hunters and veterans.

We are asking for your support so that we can help achieve our goal of underwriting our costs to put on such Wheelin' Sportsmen events. On April 18, 2015, the Central Iowa Long Spurs is facilitating our annual Spring turkey hunt.

8th Annual Wheelin' Sportsmen Turkey Hunt

Date: Saturday – April 18th, 2015 (Iowa's Second Season Turkey)

Time: 4:00 a.m. until approximately 1:00 p.m.

Place: Jester Park Equestrian Center

We appreciate your interest and it is with true gratification that our Chapter accepts a donation of any size. Cash or item donations would be used for serving the hunters and their families breakfast and lunch on the day of the event, potentially reimbursing the hunters for their license and turkey tag, hiring a videographer to capture each hunter's adventure and a small take away gift for the hunters and guides. During the hunt and at our annual Wheelin' Sportsmen Benefit recognizing the hunters and guides, your company name will be advertised for all in attendance to see.

If you have any questions, please feel free to contact Stacey Smith at the above information.

We thank you in advance for your support!
