

BOARD MEETING

May 11, 2016
5:30 p.m.

Polk County Administration Bldg., Room 120
111 Court Ave., Des Moines

AGENDA

- 1) Roll Call
- 2) Public Comments
- 3) Financial Report
- 4) Volunteer Presentation
- 5) Jester Park Nature Center Update
- 6) Action on the Minutes of the Previous Meeting(s)

CONSENT AGENDA

Note: These are routine items and will be enacted by one roll call vote without separate discussion unless a Board Member or member of the public requests an item be removed to be considered separately. Please notify a PCCB Member to have an item removed.

- 7) **Action on Bill List:** Approving April 2016 bill list.
- 8) **Thomas Mitchell Park, Land Acquisition:** Authorizing Director or his designee to finalize sale and related instruments for the acquisition of 4590 N.E. 108th Street, Mitchellville, IA.
- 9) **Carney Marsh, Easement - City of Ankeny:** determines that granting an easement to the City of Ankeny at Carney Marsh will have no adverse effect on the use of the land for park purposes; and the further directs staff to forward a recommendation to the Board of Supervisors to grant the easement required for this trail connection to the City of Ankeny.
- 10) **Salary Increase, FY 2016-17:** approve a 3% base salary increase for full-time employees, effective July 1, 2016.
- 11) **Urban Deer Bow-Hunt Annual Report, 2015-16:** Receive and File the 2015-16 Urban Deer Bow-Hunt Annual Report.

ACTION ITEMS AGENDA

- 12) **Easter Lake Park, Watershed Improvements:** Approval of Change Order with Snyder & Associates, Inc. for a lump sum payment in the amount of \$19,000.00 for Easter Lake Watershed design services and authorizing the Board Chair to sign said Change Order on behalf of the Polk County Conservation Board and further authorize the PCCB Director to enter into associated contracts and Memorandum of Agreement to construct sediment basin and stormwater wetland at Easter Lake Park in an amount not to exceed \$126,000, subject to approval by Polk County Legal Department.
- 13) **Jester Park Equestrian Center, Contract for Services:** Approval of Equestrian Center Barn Operations Contract for Services with Anna Kurns in the amount of \$3,750.00 per month for contract services to support barn and trail ride operations and authorizing the Board Chair to sign said Contract on behalf of the Polk County Conservation Board.

BOARD DISCUSSION

14) Director's Report

* PCCB summer monthly meetings: June, Yellow Banks Park; July, Easter Lake Park; August, Fort Des Moines Park
Suggested that Tours begin at 5:00 and meeting begin at 6:00

15) Board Chair and Members' Remarks

ADJOURNMENT

Upcoming Events

May 28: Music in the Park, Jester Park Amphitheater (Four Mile Creek Band)
June 5: Great Outdoors Foundation Backwoods Challenge
June 15: Great Outdoors Foundation Annual Best Shot Golf Tournament
July 2: Music in the Park, Jester Park Amphitheater (Dance of a ParrottHead)
July 22: Jazz in July, Jester Park Amphitheater (Bryan Schumaker Quartet)
September 4: Glow Wild
November 11: Buck Naked Need Dough - Locally Grown, Locally Brewed

For more information on agenda items or to receive an accommodation to participate in a meeting, hearing, service, program or activity conducted by this office, please contact Polk County Conservation Office at 515-323-5300 or visit the office (11407 NW Jester Drive, Granger, Iowa). The information identified on this agenda may be obtained in accessible formats by qualified persons with a disability. PCCB meeting agendas are available to the public at the Polk County Conservation Office on Monday afternoon preceding Wednesday's Board meeting. Citizens can also view the Board agenda on Agency's website at www.leadingyououtdoors.org or request to receive meeting notices and agendas by email by calling the office or sending their request via email to pccb_info@polkcountyiowa.gov

PROCEEDINGS OF THE POLK COUNTY CONSERVATION BOARD

The Polk County Conservation Board met in regular session on Wednesday, April 13, 2016. The meeting was called to order at 5:30 p.m.

- #16-0401 Roll Call
Members Present: Johnson, Levis, Smith, Cataldo, Northway
- #16-0402 Public Comments
None
- #16-0403 Financial Reports.
- #16-0404 **MOVED BY** Levis to approve the February 10, 2016 meeting minutes.
Vote Yea: Smith, Levis, Johnson, Northway, Cataldo
Vote Abstain: Smith, Johnson
- MOVED BY** Smith to approve the March 9, 2016 meeting minutes.
Vote Yea: Smith, Johnson, Levis
Vote Abstain: Cataldo, Northway

CONSENT AGENDA

- #16-0405 **MOVED BY** Cataldo to approve the March 2016 bill list.
Vote Yea: Cataldo, Smith, Northway, Johnson, Levis
- #16-0406 **MOVED BY** Cataldo to approve the Park/Park Facility Naming Policy.
Vote Yea: Cataldo, Smith, Northway, Johnson, Levis
- #16-0407 **MOVED BY** Cataldo to approve the professional services contract for the Four Mile Creek Master Plan through Snyder and Associates, Inc. in the amount of \$58,000.
Vote Yea: Cataldo, Smith, Northway, Johnson, Levis
- #16-0408 **MOVED BY** Cataldo to approve the March 2016 3rd Quarter budget amendment as submitted to the Polk County Budget Staff for the fiscal year 2015-2016..
Vote Yea: Cataldo, Smith, Northway, Johnson, Levis

- #16-0409 **MOVED BY** Cataldo to approve authorizing staff to purchase the necessary equipment to outfit the four new park ranger vehicles and one existing vehicle in an amount not to exceed \$60,000.
Vote Yea: Cataldo, Smith, Northway, Johnson, Levis
- #16-0410 **MOVED BY** Cataldo to approve authorizing Polk County Conservation's Parks Superintendent to execute Campground Host Contract for Services agreements on behalf of the Polk County Conservation Board.
Vote Yea: Cataldo, Smith, Northway, Johnson, Levis

ACTION ITEMS

- #16-0411 **MOVED BY Northway** to receive and file Board communication and staff presentation on position review and succession planning processes.
Vote Yea: Northway, Levis, Cataldo, Smith, Johnson
- #16-0412 **MOVED BY Levis** to declare that land transfer (relocation of a portion of the Great Western Trail to accommodate commercial and infrastructure development adjacent to the Hwy. 5 Bypass and Veterans Parkway in exchange for an equal portion of private land to maintain the Great Western Trail) does not have a negative impact to Polk County Conservation and that the land exchange is supported by the Board; and approves the Land Exchange and Development Agreement and authorize the PCCB Chair to sign said document; and the Board further directs staff to submit the necessary documents for Board of Supervisor action to complete this land transaction.
Vote Yea: Levis, Johnson, Northway, Cataldo, Smith

BOARD DISCUSSION

- #16-0413 Director's Report
*Update on Golf Course RFP
- #16-0414 Board Chair and Member's Remarks
*Summer meeting locations
* April 21 Jester Park Nature Center Launch Party

Adjournment

Meeting adjourned at 6:06 p.m.

	Date	May 11, 2016
	Agenda Item No. CONSENT Roll Call No. 16-0508 Submitted by: Loren Lown Park & Natural Area Planner	

AGENDA HEADING:

Authorize Director to finalize sale and related instruments for the acquisition of 4590 N.E. 108th Street, Mitchellville, IA.

SYNOPSIS:

Authorization of the Polk County Conservation Director or his designee to final the acquisition of 4590 N.E. 108th Street, Mitchellville, IA, which is adjacent to Thomas Mitchell Park.

FISCAL IMPACT:

Amount: \$360,000

Funding Source: Polk County Water & Land Legacy Bond

ADDITIONAL INFORMATION:

On March 9, 2016 by Roll Call No. 16-0319, the Board authorized the Polk County Conservation Director or Natural Areas Planning Administrator to pursue property discussed in closed session. Staff made the offer approved by the Board which was accepted by the selling party. The approximately two acres of land which includes a single family home sits on the interior border of N.E. 46th Avenue and N.E. 108th Street.

This land acquisition will establish roadway boundaries on the NW corner of Thomas Mitchell Park an open up additional park space that was under-utilized due to having a private residence next to the park. Additionally, this acquisition will allow expanded opportunities for park improvements next to the pond which provide some of the most scenic views within the park.

PREVIOUS BOARD ACTION:

Date: March 9, 2016

Roll Call: 16-0319

Action: Authorized Director or Natural Areas Planning Administrator to pursue property at the priced discussed in closed session.

RECOMMENDATION:

Authorizing Director or his designee to finalize sale and related instruments for the acquisition of 4590 N.E. 108th Street, Mitchellville, IA.

	Date	May 11, 2016
	Agenda Item No. Roll Call No. Submitted by:	CONSENT 16-0509 Loren Lown Park & Natural Area Planner

AGENDA HEADING:

Request from Ankeny for a trail easement at Carney Marsh.

SYNOPSIS:

The City of Ankeny wishes to connect a neighborhood to the Northwest of Carney Marsh to the Gay Lea Wilson Trail. The requested easement will cross the recently acquired UP Corridor between Primrose Lane and a county road adjacent to the Gay Lea Wilson Trail, approximately 80 feet..

FISCAL IMPACT: none. Ankeny will assume all construction and maintenance costs.

Amount: NA

Funding Source: NA

ADDITIONAL INFORMATION:

Ankeny is developing multiple connections between the growing metro trail system and needed connection improve safe non-motorized access to the Gay Lea Wilson Trail and to Carney Marsh. An easement for this property will require action by the Board of Supervisors.

PREVIOUS BOARD ACTION: N/A

RECOMMENDATION:

The PCCB determines that granting an easement to the City of Ankeny at Carney Marsh will have no adverse effect on the use of the land for park purposes; and the Board further directs staff to forward a recommendation to the Board of Supervisors to grant the easement required for this trail connection to the City of Ankeny.

PREPARED BY: TERRY COADY, SNYDER & ASSOCIATES, INC., 2727 SW SNYDER BLVD, ANKENY, IA 50023 (515)964-2020

2015-16 Urban Deer Bow-Hunt Annual Report

SYNOPSIS:

Board is asked to receive and file the 2015-16 Urban Deer Bow-hunt Annual Report

FISCAL IMPACT:

Amount: NA

Funding Source: NA

ADDITIONAL INFORMATION:

The 2015-2016 Urban Deer Bow-hunt concluded its 17th season on January 10, 2016. Attached is the Annual Report that was approved at the Deer Task Force meeting on Monday, April 25th. The report details hunt statistics for the 2015-2016 season.

Harvest numbers from 11 participating organizations totaled 324 antler-less and 29 Incentive bucks from this past season. This compares to 356 antler-less and 26 Incentive bucks from last season.

Harvest numbers in Polk County Conservation areas are slightly up from last season's numbers. Hunters harvested 76 antler-less and 6 bucks from our nine areas, compared to 73 antler-less and 8 bucks from last year. The Buck Incentive Program continues to interest bow-hunters.

The aerial survey was not conducted this year due to the weather conditions not optimal to conduct the surveys. While the number of available hunters remain strong, the lower harvest numbers indicate a lowering of the deer population. This positively reflects on the program's success and mission to maintain deer populations in Polk County at ecologically-acceptable levels.

PREVIOUS BOARD ACTION(S):

Date: 05/13/2015

Roll Call Number: #4c

Action: Approved 2014-15 Urban Deer Bow-Hunt Annual Report. (5- Yeas; 0-Nays)

RECOMMENDATION:

That the Board Receive and File the 2015-16 Urban Deer Bow-Hunt Annual Report.

May 2, 2016

Dear City Administrator / Manager, and Bow-Hunt Coordinators:

2015-2016 Urban Deer Management Bow-Hunt Harvest Report

The Polk County Deer Task Force (PCDTF) is once again pleased to report a successful urban deer hunt. A total of 356 antlerless deer were harvested in the Polk County Deer Management Zone for the 2015-2016 season, and 29 incentive bucks were also harvested. Once again, no complaints were received with regard to the program. This completes the 18th year of managing the deer herd via urban bow hunting.

For the second year in a row, the aerial survey was not completed. The issue this year was related to weather. There are no new population numbers to review. However, the PCDTF and the Iowa Department of Natural Resources (IDNR) encourages entities to continue efforts to expand public and private property bow-hunts. The PCDTF and IDNR are interested in any data that can be provided by each entity, such as car/deer collisions or landowner complaints, to help judge if the hunting should be expanded or maintained. As a reminder, the IDNR biologists indicate a harvest of approximately 30% of the doe population in a given area is necessary just to hold the population steady.

Archery Field & Sports and A&S Archery will continue offering the proficiency testing. A slight change in wording on the proficiency test has been approved to align with the common practice of using paper targets rather than 3D targets. Please adopt that wording change as appropriate. There are no known changes in the list of vendors providing zone 48 tags. Look for the final list in the hunt brochure later this year. The PCDTF thanks those vendors who provide services that allow the urban hunt to continue.

Cities are encouraged to promote private property hunts to reduce deer herd size. Contact the City of Des Moines for a copy of their ordinance with respect to the section dealing with bow-hunting private property. The feeding of deer in urban areas continues to be discouraged. Contact the City of Urbandale for a copy of their ordinance regarding the feeding of deer.

The PCDTF continues to emphasize, and asks each participating entity to support our efforts to ensure well qualified, law abiding, and ethical hunters are involved in the program. Please continue to use the watch list (to be distributed later) to make decisions regarding hunter participation in your program and contribute to the watch list if you have violations in your program. The IDNR conservation officers are committed to helping police the program. They have requested a list of hunters and hunt maps and I encourage you to provide those materials as well as to encourage your hunters to report any suspicious activity to the IDNR TIP line.

Amend Packing Company does not plan to participate in the HUSH program. Please advise hunters of this fact and the PCDTF suggests the hunters share names of those who may be interested in receiving any extra deer.

Thank you to each City for keeping amounts in their budget that directly fund the annual Aerial Survey. The reports from these surveys are a vital tool in controlling our urban deer population and it is expected they will resume in 2017.

Thank you for your support of this program and our goal to maintain a healthy and controlled population of the White-tailed Deer in Central Iowa.

Sincerely,

A handwritten signature in cursive script that reads "Roger Jackson". The signature is written in black ink and includes a long horizontal flourish extending to the right.

Roger Jackson, Polk County Deer Task Force Chair

Polk County Controlled Bow-Hunt 2015-2016 Deer Report

Executive Summary
Post Season Reports
Aerial Survey Results
Bow-Hunt Administrators
Advisory Organizations

Compiled by the
Polk County Deer Task Force

The Polk County Deer Task Force believes that the White-tailed deer is a valuable part of our natural heritage. We support the perpetuation of the deer population in Polk County at ecologically acceptable levels.

-1997 Position Statement of the Polk County Deer Task Force

Executive Summary

Based on the following results, it is recommended that the Polk County Controlled Bow-Hunt should be continued for the 2015-2016 season throughout the Polk County Deer Management Zone. It is also recommended to continue expanding efforts in the following areas:

- Urbandale
- Brown's Woods and Walnut Woods
- West Des Moines
- Johnston - Beaver Creek corridor
- Pleasant Hill
- private property throughout the zone

Post Season Reports

Licenses Sold

-The Polk County Deer Management Zone is divided into two zones. 1000 licenses were available for zone 48 which includes all of the cities, Polk County Conservation areas and U.S. Army Corps of Engineers areas. 200 licenses were available in zone 61 which is comprised of mostly rural areas not included in zone 48. Hunters purchased 638 antlerless licenses in zone 48 and 21 antlerless licenses in zone 61 for use in the Polk County Deer Management Zone.

Hunting Season

-This year the IDNR allowed participating entities to use September 19, 2015 through January 10, 2016, for the Polk County Deer Management Zone bow-hunting season. Agencies could choose to use these dates for their season, or tailor their hunt to suit individual needs (as long as the dates were within the allowable season above). Pending approval from the Natural Resource Commission, the proposed hunt dates for the 2016 -2017 season will be September 17, 2016 through January 29, 2017.

Deer Harvest

-Agencies reported that 324 antlerless deer had been harvested during the 2015-2016 bow-hunt, which is a decrease from 367 in the 2014-2015 season.

-There was a total of 356 antlerless deer harvested in the Polk County Deer Management Zone (including antlerless deer harvested in Camp Dodge with shotgun/muzzle).

29 incentive bucks were harvested during the 2015-2016 bow-hunt

A total of *400 deer were harvested during the 2015-2016 season.

* Count includes Camp Dodge (shotgun and muzzle any sex-tags)

Proficiency Testing

- Archery Field and Sports and A & S Archery administered proficiency testing to hunt participants. 177 proficiency tests were taken by 170 hunters.

Safety Record

No injuries were reported from hunters, neighbors or park visitors

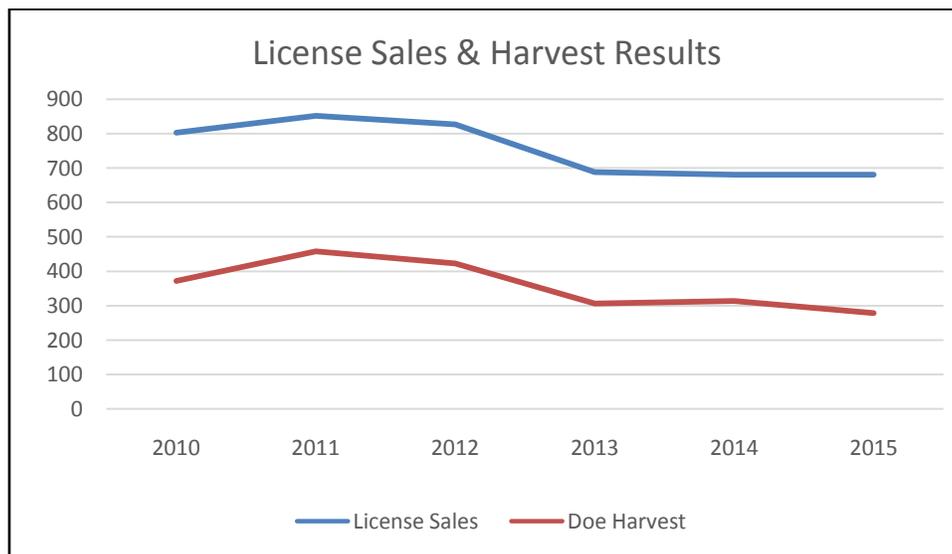

Polk County Aerial Deer Surveys: 2015

by Bill Bunger Iowa DNR

Helicopter surveys were not flown this year. Weather conditions were not optimal to conduct surveys this year. The following graph gives a simple depiction of license sales and resulting doe harvest in the Polk/Dallas deer management zone. Over the last six years, license sales and doe harvest have started to decline. It seems likely this reflects a reduction in harvest opportunity (over 50% success in 2011 to 40% success in 2015) due to lower deer numbers since the inception of this hunt. It should be noted that 40% success is similar to harvest success seen by bow hunters at the statewide level. The 'easy' harvest of deer may be past. While we are aware of small, localized areas where deer numbers remain elevated, the general state of deer numbers has improved over the course of this hunt. Any future change in hunting opportunities will be driven by local public interest.

The success of this hunt remains in the hands of the cities and hunters who have made it successful. The dedication of city representatives to make this a safe event while bringing opportunity for individuals to address their concerns is admirable. In addition, hunters have volunteered their time and done so with respect for the landowners and the resource.

Bow-Hunt Administrators

	Date	May 11, 2016
	Item No. Roll Call No. Submitted by:	ACTION 16-0512 Loren Lown Park & Natural Area Planner

AGENDA HEADING:

Approving Change Order with Snyder & Associates, Inc. for design services within the Easter Lake Watershed and Authorizing Director to enter into a Memorandum of Agreement with the Polk Soil & Water Conservation District to construct improvements.

SYNOPSIS:

Approval of Change Order with Snyder & Associates for design services related to construction of a sediment basin forebay and stormwater wetland in the Easter Lake Watershed with Polk County Conservation serving as the project manager and obtaining reimbursement from the Polk Soil & Water Conservation District.

FISCAL IMPACT:

Amount: \$145,000.00 - Not to exceed to project costs.
 Funding Source: Reimbursement from Polk Soil & Water Conservation District

ADDITIONAL INFORMATION:

Polk Soil & Water Conservation District has worked closely with Polk County Conservation on water quality initiatives at Easter Lake and within the Easter Lake Watershed. Polk Soil & Water Conservation District has submitted an IDALS Request in the amount of \$72,500 for design services and construction of a sediment basin and stormwater wetland for the N.E. corner of Easter Lake Park. The other half of the funding will come from DNR319 funds received by Polk Soil and Water.

The funding request is composed of two major components, a sediment basin forebay and stormwater wetland. For this project, drainage water will first enter the sediment basin where suspended sediment will be captured decreasing turbidity and insoluble phosphorous levels. Drainage water will then flow through the stormwater wetland where soluble nutrients and other pollutants will be removed before entering Easter Lake.

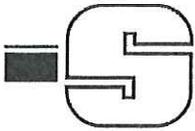

Polk County Conservation shall hire Snyder & Associates to complete the design detail including construction documents and also have them serve as the construction manager. Polk County Conservation shall also upfront the payments to Snyder and the awarded contractor which funds will be reimbursed by Polk Soil & Water Conservation District to cover the actual costs of the project that shall not exceed \$145,000.00.

PREVIOUS BOARD ACTION(S):

Date: December 9, 2015
Roll Call: 15-1212
Action: Board authorizes the use of approximately \$100,000 in Polk County Water and Land Legacy bond funds over the next three years to leverage DNR319 programs subject to annual grant awards (4 - Yeas; 1 - Absent)

RECOMMENDATION:

Approval of Change Order with Snyder & Associates, Inc. for a lump sum payment in the amount of \$19,000.00 for Easter Lake Watershed design services and authorizing the Board Chair to sign said Change Order on behalf of the Polk County Conservation Board and further authorize the PCCB Director to enter into associated contracts and Memorandum of Agreement to construct sediment basin and stormwater wetland at Easter Lake Park in an amount not to exceed \$126,000, subject to approval by Polk County Legal Department.

Change Order for Additional Services

This change order authorizes Snyder & Associates, Inc. to proceed with the following described additional services.

Client: Polk County Conservation

Attention: Doug Romig

Project Name: Easter Lake Restoration

Project #: 114.0546.01

Change Order Date: 4/19/16

Description of Additional Services

See Attachment A, "Easter Lake Restoration Project, Sediment Basin Forebay and Stormwater Wetland, Supplemental Services No. 1".

Lump Sum

Hourly in accordance with the Snyder & Associates, Inc. current standard fee schedule.

Document Attached

The undersigned, on behalf of the Client, understands and agrees that the services described in this Change Order are additional services, scope of which is not contained within the original scope of services defined in the original agreement. The Additional Services in this Change Order are subject to the general terms and conditions contained in the Original Agreement dated June 11, 2014.

ATTACHMENT A
Easter Lake Restoration Project
Sediment Basin Forebay and Stormwater Wetland
Supplemental Services No. 1

The following additional services are requested for the Easter Lake Restoration project.

PROJECT DESCRIPTION

This project addition includes construction of a sediment basin forebay and a stormwater wetland. These improvements will work together to reduce sediment and stormwater pollutants from entering Easter Lake where a 37 acre primarily urban drainage area is causing significant lake sedimentation and high nutrient levels.

This project will be completed through a Professional Services Agreement with the Polk County Conservation Board (*Client*) with a Cooperative Agreement between the *Client* and Polk Soil & Water Conservation District. The Polk County Conservation Board is the *Client* in this Scope of Services and Professional Services Agreement.

ENGINEERING SERVICES

The *Consultant* will provide the following Engineering Services:

Preliminary Design

1. Prepare designs, including drawings, specifications, and opinions of probable construction costs for the Project.
 - 1.1. Meet as required with *Client* staff to develop the project concept and details for various portions of the project.
 - 1.2. Submit the designs and cost estimate at 60% completion for *Client's* review and approval; *Consultant* shall meet with *Client* to present and discuss this preliminary design. *Client* shall provide any comments within ten business days of receipt, which *Consultant* shall incorporate or address in the final design drawing.

Final Design

2. Prepare designs, including drawings, specifications, and opinions of probable construction costs for the Project.
 - 2.1. Submit the designs and cost estimate at 90% completion, and including any *Client* comments from the 60% review, for *Client's* review and approval; *Client* shall provide any comments within ten business days of receipt, which *Consultant* will incorporate or address in the final design drawing.

- 2.2. Submit designs and cost estimate at 100% for *Client's* review and approval, and including any *Client* comments from the previous reviews, for *Client* review and approval and for incorporation into the bid documents described below. *Consultant* shall incorporate *Client's* comments into the final version of the design contract documents.
- 2.3. Prepare bid documents consistent with the designs described in the Preliminary Design Task and related reviews. *Consultant* shall deliver hard copies and one electronic pdf format copy of the Contract Documents as required by the *Client*. This final submission shall be signed and sealed, suitable for bidding. Snyder shall also provide to *Client* an updated opinion of probable construction costs based on final plans and specifications, and broken out by bid item.

Bidding Services

3. Provide project administration during the bidding process.
 - 3.1. Conduct a pre-bid meeting for interested contractors, serving as the *Client's* design consultant.
 - 3.2. Field questions about the plans and specifications developed by the *Consultant*, distribute addenda as needed, and notify potential contractors of the opportunity within the confines of the state law to maximize the bidder pool.

Construction Administration and Observation

4. Provide administration and observation during construction.
 - 4.1. Conduct a preconstruction conference attended by representatives of the Contractor, *Client*, and affected stakeholders.
 - 4.2. Review shop drawings and other submittals as required of the Contractor by the contract documents for conformance with the design concept of the project and compliance with the information given in the contract documents.
 - 4.3. Answer design interpretation questions from the *Client*, Contractor, review staff and appropriate agencies.
 - 4.4. Review and verify monthly pay quantities.
 - 4.5. Perform construction site visits by design personnel at appropriate stages of construction to review the quality of work and to determine whether the work conforms to the contract documents.
 - 4.6. Prepare and assist *Client* and Contractor in processing contract change orders.

- 4.7. Consider and evaluate Contractor's suggestions for modifications and report them with recommendations to the *Client*.
- 4.8. Attend monthly construction meetings and conduct intraoffice administration and coordination of the project.
- 4.9. Participate in a field observation of the completed project with *Client* and review staff before a final application for payment is processed for the Contractor.

Construction Staking

5. Snyder & Associates, Inc. will provide staking for construction.
 - 5.1. Provide horizontal and vertical control around project perimeter.
 - 5.2. The staking will include the construction limits, clearing & grubbing limits, proposed structures, and earthwork. One set of stakes will be provided for each construction operation.

PROJECT SCHEDULE

All phases of the project, from design through construction, will be performed by the *Consultant* in accordance with a schedule mutually developed by *Client* and *Consultant*.

- Notice to Proceed with Design – Anticipated prior to April 30, 2016
- Preliminary Design Complete – May 30, 2016
- Final Design Complete – July 15, 2016
- Notice of Bid Letting – September 1, 2016
- Begin Construction – October 1, 2016
- Construction Complete – June 30, 2017

The *Client* may request Additional Services from the *Consultant* not included in the Scope of Services as outlined. Additional Services may include, but not limited to, expanding the scope of the project and work to be completed; requesting the development of various documents; or extending the time to complete the project through no fault of the *Consultant*.

COMPENSATION AND TERMS OF PAYMENT

The *Client* shall pay the Professional in accordance with the terms and conditions of the original Contract and this Supplemental Services Agreement.

COMPENSATION

As per the original agreement dated June 11, 2014, the engineering fee will be on the basis of a Lump Sum.

Preliminary Design	\$5,000
Final Design	\$8,500
Bidding	\$2,000
Construction Administration And Observation	\$2,000
Construction Staking	\$2,500
TOTAL LUMP SUM FEE	<u>\$19,000</u>

If the *Consultant* anticipates that actual engineering costs will exceed engineering costs, he shall immediately notify the *County*, in writing, of such proposed increase and the reasons therefore. The *County* shall thereupon review such proposed increase and either accept or reject it.

SPECIFICATIONS

Services provided by the *Consultant* under this agreement shall be in conformity with the standard practices and requirements set in the original contract.

	Date	May 11, 2016
	Item No. Roll Call No. Submitted by:	ACTION 16-0513 Douglas C. Romig Deputy Director

AGENDA HEADING:

Approving Contract for Services to assist with barn operations at the Jester Park Equestrian Center.

SYNOPSIS:

Approval of a one-year Contract for Services Agreement with Anna Kurns to provide assistance with barn operations at the Jester Park Equestrian Center

FISCAL IMPACT:

Amount: \$45,000.

Funding Source: Equestrian Center Operating Budget

ADDITIONAL INFORMATION:

Polk County Conservation owns and operates the Jester Park Equestrian Center. While the initial intent for the Equestrian Center was to operate as an enterprise fund (self-sustaining), the initial business plan did not account for the overall operational needs of this complex 7-days a week, 365-days a year operation. Within the FY17 operating budget, staff has adjusted the "extra help" line item to more closely reflect actual operational needs. Additionally, staff is working on improving operational efficiencies, reducing expenses and increasing revenues in an effort to minimize the subsidy required to manage a 60 - 70 head equine facility with a robust programming component and boarding private horses.

The Jester Park Equestrian Center is under-staffed to fulfill its mission and purpose. Current operations occur between 7:00 am and 7:00 p.m. Sunday - Saturday with some lessons, programs and special events occurring after 7:00 p.m. The management of the Jester Park Equestrian Center consists of the Equestrian Center Manager, Barn Supervisor, Program Coordinator and one full time Riding Instructor.

A total of 4,380 hours of operations (12 hours a day 365 days a year) are needed annually, excluding any programs/services provided after 7:00 p.m. Barn operation responsibilities alone show a deficit of 1,610 hours per year for the Barn Supervisor, due to the daily care of the horses and the facility. With specific duties and responsibilities of each of the full-time employees (lesson planning, marketing, training, scheduling, etc.) excluding holidays, sick days and vacations there is a need for one additional full-time position dedicated to the Equestrian Center both from a programmatic and an operational standpoint. Based on analysis and observations of the Equestrian Center, the Equestrian Center Manager and Barn Supervisor have to work between 120 - 150 hours combined per week to maintain operations. While assistance from the Program Coordinator and Riding Instructor who work between 40 and 50 hours weekly aid in maintaining Equestrian Center operations, staff will continue to get burned out resulting in poor performance, high turnover and frustrated employees all ultimately resulting in a degradation of the facilities, unhappy customers and loss of revenues.

Other operational impact items completed but not at 100% or not at the quality desired due to time constraints and prioritization include: staff training, project planning, requisition requests, documentation upkeep, personnel evaluations, oversight of trail operations, crew coordination (operations vs. programs), wagon program upkeep and planning, public/community outreach, increased boarder interactions/relationships, grant research/writing, marketing/promotions, timely evaluation of Jester Park Equestrian Center program horses, work with special interest groups, and supporting other Polk County Conservation activities through use of the Equestrian Center and program horses.

In an effort to correct this situation while maintaining a balanced budget, it is recommended that Polk County Conservation enters into a contract to support the Equestrian Center barn operations. Funding from the savings generated from the change of the Program Supervisor to Program Coordinator position and elimination of some "extra help" line item budget authority will cover the contract payments.

PREVIOUS BOARD ACTION(S): N/A

RECOMMENDATION:

Approval of Equestrian Center Barn Operations Contract for Services with Anna Kurns in the amount of \$3,750.00 per month for contract services to support barn and trail ride operations and authorizing the Board Chair to sign said Contract on behalf of the Polk County Conservation Board.
