Re: **Update concerning the NW 66 Avenue/Kempton Bridge Reconstruction Project.**

Please be aware that weather permitting, on **Tuesday, June 7th**, a one-lane closure will be implemented on the existing bridge between the hours of **8 AM to 3 PM** to facilitate bridge construction.

Motorists should expect delays due to this temporary lane closure. The one-lane closure will utilize flag persons to control traffic, so please use caution when traveling through this area as there will be trucks entering and exiting the work site.
