Carrier will receive a Polk County Approved Route Map. Only indicated approved routes shall be used. It will be the responsibility of the carrier to route themselves around low clearances, construction projects, embargoed roads and bridges. If carrier demonstrates inability to self route, permit will be denied.

Permits can be issued only for transporting single articles that exceed statutory size unless inclusion of additional articles does not cause the size or weight to further exceed the statutory limits.

Disclosure Statement: The information furnished on this application will be used by Polk County to prepare and issue permits. All information applicable to a given permit is required and is public information. Failure to complete the application as required will result in denial of permit. Permit issuing authorities will not be responsible for any damages that are the result of the move. Polk County and any other permit issuing authority assume no responsibility for the property of the permit holder.
