

# Polk County Controlled Bow-Hunt 2013-2014 Deer Report

Executive Summary  
Post Season Reports  
Aerial Survey Results  
Bow-Hunt Administrators  
Advisory Organizations

Compiled by the  
Polk County Deer Task Force

The Polk County Deer Task Force believes that the White-tailed deer is a valuable part of our natural heritage. We support the perpetuation of the deer population in Polk County at ecologically acceptable levels.

-1997 Position Statement of the Polk County Deer Task Force

## Executive Summary

Based on the following results, it is recommended that the Polk County Controlled Bow-Hunt should be continued for the 2014-2015 season throughout the Polk County Deer Management Zone. It is also recommended to continue expanding efforts in the following areas:

- Urbandale
- Brown's Woods and Walnut Woods
- West Des Moines
- Johnston - Beaver Creek corridor
- Pleasant Hill
- private property throughout the zone

## Post Season Reports

### **Licenses Sold**

-The Polk County Deer Management Zone is divided into two zones. 1200 licenses were available for zone 48 which includes all of the cities, Polk County Conservation areas and U.S. Army Corps of Engineers areas. 400 licenses were available in zone 61 which is comprised of mostly rural areas not included in zone 48. Hunters purchased 688 antler-less licenses in zone 48 and 17 antler-less licenses in zone 61 for use in the Polk County Deer Management Zone.

### **Hunting Season**

-This year the IDNR allowed participating entities to use September 14, 2013 through January 19, 2014, for the Polk County Deer Management Zone bow-hunting season. Agencies could choose to use these dates for their season, or tailor their hunt to suit individual needs (as long as the dates were within the allowable season above). The proposed hunt dates for the 2014 -2015 season will be September 13, 2014 through January 10, 2015.

### **Deer Harvest**

-Agencies reported that 346 antler-less deer had been harvested during the '13-'14 bow-hunt, which is a decrease from 497 in the 2012-2013 season.

-There was a total of 381 antler-less deer harvested in the Polk County Deer Management Zone (including antler-less deer harvested in Camp Dodge with shotgun/muzzle).

32 incentive bucks were harvested during the '13-'14 bow-hunt

A total of \*441 deer were harvested during the '13-'14 season.

\* Count includes Camp Dodge (shotgun and muzzle any sex-tags)

### **Proficiency Testing**

- Archery Field and Sports administered 279 proficiency tests to 274 hunters.

### **Safety Record**

No injuries were reported from neighbors or park visitors

## **Polk County Aerial Deer Surveys: 2014**

*by* Bill Bunger  
Iowa DNR

Helicopter surveys were flown on February 6th using a Bell Jet helicopter. Observers were Willie Suchy and Bill Bunger. Conditions for the survey were good with >5" of snow. The sky was clear. Winds were moderate at 10-15 mph from the northwest. Temperatures never got above 9 degrees F. Sighting conditions were fair as bright sun and consequent glare create some difficulty. Most deer were bedded and some got up when the helicopter passed over.

The number of deer sighted for each area is reported in Table 1. The number of deer recorded should be viewed as a minimum count. Each area listed was divided up into discrete units and circled or flown systematically. Where necessary the helicopter was brought around to count areas more thoroughly. In most areas the deer ran as the helicopter passed overhead.

The number of deer counted was down in 10 of the 21 urban areas surveyed when compared to 2013. Eight of the surveyed areas could be considered unchanged from 2013 while in two areas counts were up. Some of the reduction in numbers may be attributed to the slight decrease in quality of sighting conditions compared to last year. The average deer density across all survey areas falls just below the original goal of 30 deer/square mile. Nine of the 21 survey areas have been below this goal for the last three years.

Overall counts are considerably lower than we would expect if the controlled hunts had not been initiated in 1998. Nearly 5300 deer have been harvested in the deer management zone. This hunting pressure has helped bring numbers down from the highest counts observed in 2007. Some areas appear to be stabilizing but doing so at levels originally deemed acceptable by the task force.

## Bow-Hunt Administrators

- City of Des Moines: Mike Gaul 208-0310  
- Administers public property bow-hunting; allows private property bow-hunting
- Des Moines Water Works: Scott Atzen 208-8702, Regina Olmstead 283-8769
- City of Johnston: Jim Sanders 727-7760  
- Administers public property bow-hunting; allows private property bow-hunting
- Polk County Conservation: Brian Herrstrom 967-4889, c 249-1753
- US Army Corps of Engineers (Saylorville Lake): Tyler Hill 276-4656 ext. 6512
- City of Urbandale: Jeff Casey 331-6812  
- Administers public property bow-hunting; allows private property bow-hunting
- Walnut Woods State Park (IDNR): Tim Gedler 285-4502
- City of West Des Moines: Sally Ortegies 222-3447  
-Administers public property bow-hunting
- City of Clive: Jeff Theilen 238-0648  
-Administers public property bow-hunting
- City of Pleasant Hill: Heath Ellis 208-5212, Rick Courcier 208-8214  
- Administers public property bow-hunting; allows private property bow-hunting

## Advisory Organizations

The following organizations serve in an advisory capacity to the Polk County Deer Task Force (in addition to the organizations listed above).

- Iowa Dept. of Natural Resources: Bill Bunger (515) 975-8318, Willie Suchy (515) 281-8660
- City of Ankeny, City of Des Moines Animal Control, City of Grimes, City of Polk City, Dallas County Conservation Board
- Archery Field and Sports, Des Moines Audubon, Des Moines Founders' Garden Club, Des Moines Izaak Walton League, IDNR Law Enforcement, Iowa Bow Hunters Assoc. (IBA), National Field Archery Association, Polk County Conservation Board, Polk County Board of Supervisors, Sierra Club and Westwood Neighborhood Association.
