

PRECINCT CAPTAIN JANUARY 2016 NEWSLETTER

Hello Precinct Captains and Happy New Year. I hope everyone had a wonderful Christmas Season. My wife Michelle and I had a great time with our two children and extended family. We were however extremely excited to get them both back to school 😊.

The 2016 team is almost complete. I feel like we will have the best group of Precinct Captains in Iowa. We will have a great balance of new and current Precinct Captains for 2016.

This is the beginning of a Precinct Captain Monthly Newsletter that I will be sending every month from now until Election Day (June 7th, 2016). This newsletter will provide useful tips and information to help prepare ourselves for Election Day. I hope that this newsletter will start an open dialogue between all Precinct Captains and the Election Office.

I spoke with all of you at our October training session about the shortfall in precinct captains for 2016. I am happy to report that thanks to your networking, we have filled many of the open precincts for the June Primary Election. As of today, we have eleven open precincts remaining. I have listed below the open precincts and addresses. **If you know of anyone interested in wanting to become a precinct captain please have them call or email me. Please inform them that precinct captains earn \$200.00/election plus paid training and mileage reimbursement.** Thanks for all of your hard work. I will continue to stay in touch with all of you throughout the winter and spring. Stay warm!

BTW... Paid training is back. There will be more information to follow regarding paid training.
