Re: **Update concerning the NW 66 Avenue/Kempton Bridge Reconstruction Project.**

Please be aware that weather permitting, on **Saturday, March 19th**, a one-lane closure will be implemented on the existing bridge between the hours of 7 AM to 5:30 PM.

This lane closure is needed to allow crews to unload and set bridge beams for the new bridge. Motorists should expect delays due to this temporary lane closure. The one-lane closure will utilize flag persons to control traffic, so please use caution when traveling through this area.
