Re: **Update concerning the NW 66 Avenue/Kempton Bridge Reconstruction Project.**

Please be aware that weather permitting, on **Wednesday, July 5<sup>th</sup>**, NW Beaver Drive between Merle Hay Road and the intersection of NW 66<sup>th</sup> Avenue will be closed to through traffic. A posted detour will be signed using Merle Hay Road, NW 62<sup>nd</sup> Avenue, and NW Beaver Drive south of the NW 66<sup>th</sup> Ave. intersection. Message Boards will be placed prior to the closure to warn commuters of this closure.

This closure will allow NW Beaver Drive to be reconstructed between the NW 66<sup>th</sup> Avenue intersection and NW 48<sup>th</sup> Court. This closure is expected to be in place until July 31<sup>st</sup>, weather permitting. Motorists should expect delays along the detour route during this closure and plan accordingly. If you have questions or comments concerning this project, please contact:
