Re: **Update concerning the Closure of NW Beaver Drive as part of the NW 66 Avenue/Kempton Bridge Reconstruction Project.**

### \*\*UPDATE\*\*

Please be aware that a previous notice incorrectly noted that the closure of NW Beaver Drive between Merle Hay Road and the intersection of NW 66<sup>th</sup> Avenue, which is currently closed, would be in-place until July 31<sup>st</sup>.

This phase of the project is expected to take approximately 11 weeks to complete, so it is currently anticipated that NW Beaver Dr. will re-open in Mid-September. The posted detour will be in place throughout this period using Merle Hay Road, NW 62<sup>nd</sup> Avenue, and NW Beaver Drive south of the NW 66<sup>th</sup> Ave. intersection. We apologize for any confusion the previous notice may have caused.

If you have questions or comments concerning this project, please contact:
