Preamble

This manual was developed to describe and outline some of Polk County's policies, procedures, employment benefits and other matters to you as a County employee. Its provisions are subject to change. Some of the policies and benefits described here, such as Group Insurance Plans, are covered in detail in official policy documents. You should refer to these documents for specific information, since this manual only briefly summarizes those benefits. Please note that the terms of the written policy are controlling.

This manual in no way alters the nature of the employment relationship. All County employees who are employed without a specific written contract of employment entered into by the County Board of Supervisors have the right at all times and at their discretion to terminate the employment relationship. Similarly, the County has the same right.

This manual is not intended to create any contractual rights in favor of you or the County. The County reserves the right to change the terms of this manual at any time, by written resolution passed at a Board of Supervisors' meeting. Any promises, representations, or actions by a Polk County official or employee which are contrary to this manual are not the official policy of the County, and are of no force and effect. No such promises, representations, or actions shall be construed or interpreted to alter the "at will" status of the employees covered by this manual.

Discipline

The Board of Supervisors recognizes that discipline is a very personal matter which necessarily must take into account any number of facts and circumstances. Discipline is discretionary with the Board of Supervisors for employees responsible directly to the Board of Supervisors.

Discipline for employees covered by this manual need not be graduated or progressive. Disciplinary action(s) may include any personnel action(s), up to and including termination, for non-exempt employees. Discipline for exempt employees may, however, include any personnel action(s) except reductions in salary for jury duty, military leave, or attendance to a legal proceeding pursuant to a subpoena. (The term "exempt" and "non-exempt" employees refer to those terms as defined by the Fair Labor Standards Act and implementing regulations.)

Neither the assessment of discipline in any instance nor the non-assessment of discipline in any instance shall be construed or interpreted by Polk County or any of its employees to alter the "at will" status of the employees covered by this manual.

Termination as a form of discipline is the responsibility of the Board of Supervisors for employees responsible directly to the Board of Supervisors.

Letters of Reference and Recommendation

When any County official or employee receives a request for job information about a present or former County employee, the request shall be referred to the Human Resources Department. The Human Resources Department shall only release non-confidential information including but not limited to dates of employment, job description, and salary. Upon final exhaustion of all applicable contractual, legal, and statutory remedies, the fact that an employee was discharged as a result of final disciplinary action shall be released in accordance with Iowa Code 22.7 (11).

No letter of reference or recommendation concerning a present or former County employee shall be written on County letterhead or enclosed in County envelopes.

Any County official or County employee writing a letter of reference or recommendation on behalf of a present or former County employee shall make it clear that the opinions contained in the letter are purely personal and do not reflect the official position of Polk County and its elected officials.

Performance Appraisals

All County employees covered by this manual may be asked to write position descriptions, complete work plans, and receive annual written performance appraisals. The purpose of a performance appraisal is not to replace the daily feedback that occurs in the workplace but to chart significant work related events occurring since the last appraisal, to evaluate whether goals or objectives set in the last appraisal have been met in whole or in part, to evaluate whether significant problems noted in the last appraisal have been corrected in whole or in part, to identify significant problems occurring since the last appraisal and to set up new goals and objectives if applicable.

The performance appraisal shall be signed by the person making the appraisal and by the person being appraised. The employee being appraised may add his or her own written comments, without limitation, to the appraisal.

Neither the giving of an appraisal, nor the failure to give an appraisal, shall be construed by Polk County or its employees as altering the "at will" status of the employees covered by this manual.

Compensation

Department Heads shall be compensated in accordance with their responsibilities and corresponding pay grade. Pay ranges may be adjusted each July 1st to maintain consistency with competitive pay practices. Pay ranges can be located at the Human Resources website: www.polkcountyiowa.gov/hr/

The movement of Department Heads through their assigned salary range shall be determined by merit. All merit salary adjustments shall be based on an annual performance appraisal utilizing a performance review system issued by the Human Resources Department. The purpose of the annual performance appraisal is to keep employee performance records up to date and provide employee feedback on their performance. The reviews are not to be construed as a guarantee of a salary increase. A salary adjustment, based on individual merit, is subject to approval by the Board of Supervisors.

Salary adjustments shall not exceed 4% of the employee's current salary or the approved maximum salary.

Pay adjustments for merit increases for Department Heads shall be made effective on the employee's anniversary date.

Hours of Work

Flexibility in the regular workday is permitted providing operational efficiency is maintained.

Length of Service

The length of an employee's continuous service with the County is calculated from the employee's most recent date of hire. Active and continuous County employment shall be used for the purpose of calculating vacation and severance entitlement.

Service as a department head is not applicable to bargaining unit seniority if the employee should, at a later date, occupy a County bargaining unit position.

Neither the consideration of length of service in any instance nor the failure to consider length of service in any instance shall be construed or interpreted by Polk County or its employees to alter the "at will" status of employees covered by this manual.

Current employees being promoted into a department head position shall not be allowed to exceed the maximum accrual allowed for a department head in any fiscal year. In the event of termination, annual vacation shall be deemed earned on a pro-rated basis for the purpose of calculating vacation payout.

The maximum vacation accumulation a department head will be permitted to carry over into the succeeding fiscal year is 35 days. The excess shall be forfeited without remuneration for same.

When a holiday occurs during an assigned vacation, it will not be counted as part of the vacation time.

During the pay period prior to the Thanksgiving Holiday, a Department head that has accrued 200 or more hours of unused vacation time may elect to cash out up to fifty-six (56) hours of unused vacation time. All Department Heads eligible for benefits may elect to participate in Polk County's Commuter Choice Plan. The plan consists of two accounts one for mass transit and another for parking.

Employee contributions are made through payroll deductions on a pre-tax basis with the minimum parking expense being fifty-five dollars (\$55) per month and up to the maximum monthly IRS limit for qualified parking and mass transit expenses.

The County shall contribute \$1.00 for each \$1.00 contributed by the Department Head up to a maximum allowed by Code 415 (c) of the IRS regulation. All participants must contribute to an active provider in order to continue to have payroll deductions made and to receive matching funds.

Sick Leave

Eligibility and Accrual

Department heads shall accrue sick leave at a rate of eight (8) hours per bi-weekly pay period to a maximum of 2,000 hours of accrued leave. Usage based on illness or disability is permitted upon accrual but may not exceed the amount of accumulation.

Charged Per Use

Sick leave shall be charged in one-quarter (1/4) hour increments. Usage includes first day illness, medical appointments or emergencies of the employee, the employee's spouse, legal parent or child, and illness of the employee's spouse, legal parent or child.

A request for sick leave shall indicate whether the leave is for Family and Medical Leave purposes as set forth in this manual.

Payment of Sick Leave Upon Termination

Upon termination, for other than election of a bona-fide retirement by the Department head, a Department Head shall receive cash payment for a percentage of their accumulated, unused sick leave in accordance with the following schedule, payable in their last pay period. <u>Years of Service</u>	<u>Percentage</u>

Payment of Sick Leave Upon Retirement

Upon bona-fide retirement with IPERS, department heads shall receive a cash payout of up to \$4,000 for accumulated, unused sick leave converted at the employee’s current hourly rate. The remainder of the converted balance of accrued sick leave shall be converted to a bank for the purposes of purchasing health insurance after retirement. The election for conversion must be made before the employee’s retirement date. If no election is made, the remaining balance will be forfeited. The sick leave balance for computing the conversion rate will be the employee’s balance before the received cash payment. The Department Head’s sick leave balance will be converted according to the following schedule:

<u>Sick Leave Balance</u>	<u>Conversion Rate</u>
0 up to and including 749 hours	0% of value
750 up to and including 1,000 hours	75% of value
Over 1,000 hours up to 2,000 hours	100% of value

Polk County will continue to pay the entire amount of the health insurance premium each month until the converted value of the department head’s sick leave bank is exhausted or until the Department Head is eligible for Medicare, whichever comes first. The retired Department Head may stay with the same health insurance program as when employed, or elect to decrease their coverage options at any time without underwriting.

The converted value of the sick leave can only be applied to health insurance premiums. It has no cash value and it is not transferable to another use or to an heir.

An employee’s eligible dependent(s) whose coverage ends when the employee reaches Medicare eligibility may elect at their own expense to continue participation in the health insurance plan through COBRA for three years. Continuation in the group health insurance plan will be offered to an employee or an employee’s eligible dependent(s) at their own expense as authorized by Code of Iowa Section 509A.

Donated Time

Department heads may not receive but may donate up to sixteen (16) hours of earned vacation or personal leave to an eligible employee who has been approved for a paid leave of absence as authorized under the County's Family and Medical Leave Act Policy and the Collective Bargaining Agreement, but does not possess the necessary earned hours of leave or is not eligible for disability income benefits.

An eligible employee is defined as a regular full-time employee with at least 12 months of continuous employment and who has worked at least 1250 hours during the preceding 12 months at the time of the employee's application for FMLA leave.

Disability

This insurance is designed to protect you against a loss of income in the event you become disabled and are unable to work for an extended period of time. Employees shall not accrue vacation, sick leave or any other paid leave benefit while on long term disability.

Long term disability (LTD) insurance is provided through a group policy and the premium is paid by Polk County. Department Heads are eligible for LTD after 30 days of employment. The LTD plan will replace a portion of your pre-disability earnings. The plan's coverage offers a benefit of 60 percent of base earnings up to a maximum of \$90,000 of base earnings. Base earning is your regular rate of pay and does not include overtime pay or other extra compensation.

Disability claims are submitted to and determinations made by the disability company and must be medically supported. If your LTD claim is approved, benefits become payable at the end of a 90-calendar day benefit waiting period (also known as an elimination period). No LTD disability benefits are payable during the 90 day waiting period.

Eligible Department Heads will be provided short-term disability (STD) insurance to cover the elimination period. The STD provided will be for a maximum of \$3,000 per month. Department Heads are eligible to purchase additional STD insurance at their own expense. Premiums will be paid through payroll deduction. An Employee's accrual rate for sick leave and vacation leave will be adjusted to reflect accruals only for paid accrual time utilized and holiday pay may be pro-rated based on paid hours while the Employee is on short term disability.

Coverage under the LTD plan may continue for up to 60 months or when the employee is released to return to his/her regular duties, whichever occurs first. However, if said employee is not released to return to work his/her regular duties after 24 months, employment with Polk County will cease.

Unpaid Leaves of Absence

Eligibility

Department heads may request unpaid leave for reasons specified under the Family and Medical Leave provisions.

Application for Leave

All requests for unpaid leave of absence must be made in writing and approved by the department head's immediate supervisor and shall be submitted to the Director of Human Resources stating the reasons for and duration of the leave. The request for leave is subject to approval by the Board of Supervisors.

An employee whose request for unpaid leave is due to a serious health condition, but is otherwise not eligible for Family and Medical Leave, shall commence leave when the employee's physician certifies he/she is unable to perform his/her job duties. Leave shall terminate after six (6) months or when the employee's physician certifies he/she is able to return to his/her regular duties, whichever occurs first.

The employer retains the right to obtain a second opinion from another physician, at the expense of the employer, from which a final determination shall be made of the commencement or termination of leave. An employee requesting an unpaid leave of absence due to a serious health condition and not subject to Family and Medical Leave agrees to the release of all information which the employee has access concerning the employee's physical or mental condition relative to the request for unpaid leave and further waives any privilege for the release of the information.

If a department head is not eligible for nor entitled to parental leave under the County's Family and Medical Leave Policy, he/she may be granted parental leave for a period not to exceed thirty (30) regularly-scheduled work days. (This does not include employees who have exhausted their annual FMLA leave.). Employees may utilize available accrued leave if County policies permit their use for any part of the parental leave period. Otherwise, the leave will be unpaid. Parental leave may be used for birth, or newly placed adopted or foster child. The request for parental leave must be made within ninety (90) calendar days of the birth or placement for adoption or foster care of a child.

Notwithstanding the above, when a husband and wife are entitled to non-FMLA parental leave under County policy, they will be limited to a combined total of thirty (30) days of parental leave.

In the case of an employee's own pregnancy, the employee shall be permitted up to eight weeks of medical leave after the birth of a child in accordance with Chapter 216 of the Iowa Code and Title VII.

Premiums for insurance normally paid by the employer shall be paid in full by the employee during an approved, unpaid leave of absence, which is not part of Family and Medical Leave, if the employee elects to continue coverage. Such leaves include, but are not limited to, educational and public official leave. Employees on approved, unpaid parental leave and unpaid sick leave of absence which is not part of Family and Medical Leave will pay their own insurance premiums after the first ninety (90) calendar days of absence.
