I am pleased to tell you about the Portfolio Service, a new service that is now available to help you streamline your process for paying property taxes. It was designed to assist you to easily pay taxes for multiple parcels acquired by tax sale deed in Polk County and also in Buchanan, Clayton, Dickinson, Floyd, Iowa, Johnson, Linn, Montgomery, Pottawattamie, and Poweshiek County. Everything is done online in a matter of seconds – from tracking your properties for the most up-to-date tax information to completing an electronic payment for your taxes. It brings value to you by delivering your payment in a safe and cost effective manner to the county or counties in which you own property. The June tax sale will begin promptly at 7:30 a.m. and continue up to 10:00 p.m. each day for as long as buyers are present. Cellular phones, pagers, tape recorders, camcorders, and other audible electronic devices are to be turned off during the sale. Cameras, camera cell phones, and other picture taking devices are not allowed in the sale room or lobby area of the tax sale. Food is not allowed in the sale room. Individuals with open containers or packages of food in the sale room will be asked to leave. **Outside food and beverages are not allowed at the Convention Complex.** Food and beverage services, including breakfasts, lunches and dinners, are provided by Ovations, the exclusive catering department of the Iowa Events Center. 2. Registering for the Tax Sale

The Treasurer's Office will stop accepting registrations for the 2008 Annual Tax Sale when the maximum number of available bidders has been reached, as determined by the tax sale random selection software program. Registrations will be accepted in the order received by the Treasurer's Office. The Treasurer's Office will time stamp properly completed registration forms upon receipt using the date/time machine located in the Tax Division of the Polk County Treasurer, Room 155.

If the Treasurer's Office determines that a bidder has failed to make payment for tax sale certificate(s) in any county in Iowa, the auctioneer may disqualify the bidder from the sale; all certificates purchased by the disqualified bidder during the sale may be canceled and re-offered to other properly registered bidders.

Registration Fee Schedule:

The bidder and authorized agent registration fees allow bidding at the 2008 Annual Tax Sale and all associated adjourned tax sales. Bidder and authorized agent registration fees are non-refundable.

- The early bidder registration fee is \$75.00 for registrations received by 5:00 p.m. on Tuesday, June 10, 2008.
- The bidder registration fee is \$100.00 for registrations received after 5:00 p.m. on Tuesday, June 10, 2008.
- The fee for registering an authorized agent to bid on behalf of the interested party is an additional \$75.00.

Polk County recognizes one “interested party” for each bidder name/number. The interested party is the individual or, if the bidder is a company, the company officer who signs the ‘*Registration of Tax Sale Bidder or Assignee*’, ‘*Direct Deposit*’, and ‘*W-9*’ forms, and is authorized to bid at the tax sale. If the bidder is a company, the signature and title of the company officer is required on all forms.

An “authorized agent” is an individual, other than the interested party, who acts as an agent/personal representative for the interested party as a bidder at the tax sale. Each interested party is allowed to designate one authorized agent per bidder number.

Registration Forms-The interested party must properly complete the following forms:

- a. **‘Registration of Tax Sale Bidder or Assignee’** – The interested party must complete and sign a ‘*Registration of Tax Sale Bidder or Assignee*’ form for each tax sale year using the official unabbreviated Internal Revenue Service (IRS) name for the bidder name.
- b. **‘W-9’** – The interested party must complete and sign a ‘*W-9*’ form if one is not currently on file in the Treasurer’s Office or if the bidder information has changed. The official unabbreviated IRS bidder name must be entered on this form. This information is required to issue an accurate *1099-INT* statement with the appropriate social security number or taxpayer identification number. Non-resident aliens and foreign businesses must complete and sign a ‘*W-8BEN*’ form rather than a ‘*W-9*’ form. Non-resident aliens and foreign businesses will be subject to a percentage of U.S. Federal tax withholding on interest income earned.
- c. **‘Direct Deposit Authorization’** – The interested party must complete and sign a ‘*Direct Deposit Authorization*’ form if one is not currently on file in the Treasurer’s Office or if the bidder information has changed. The official unabbreviated IRS name must be entered on this form. Attach a voided check from the authorized account in the space provided. The voided check must be a pre-printed personal or commercial check bearing an account holder’s name. An authorization to deposit to a savings or investment account will not be accepted.

register an authorized agent to bid, the interested party must complete and sign the *'Registration of Authorized Agent'* form on the back side of the *'Registration of Tax Sale Bidder or Assignee'* form using the official unabbreviated IRS name for the bidder name. The fee for registering an authorized agent is \$75.00 per bidder number. An employee of the Polk County Treasurer's Office will not notarize this form.

Note: "Properly registered" means the following:

- The interested party's name and signature on the *'Registration of Bidder or Assignee'* form, corresponding *'W-9'*, *'Direct Deposit Authorization'*, and *'Registration of Authorized Agent'* form are **identical**.
- The interested party signed the *'Registration of Bidder or Assignee'* form, corresponding *'W-9'*, *'Direct Deposit Authorization'*, and *'Registration of Authorized Agent'* forms and included his/her title.
- The taxpayer's identification number furnished on the *'W-9'* form is for the bidder name as registered.

Modifications to the registration forms after 1:00 p.m. on Friday, June 13, 2008 will result in the bidder being disqualified from the first session of the sale. Errors, omissions, or misrepresentations on the registration forms may disqualify the bidder from the sale. All certificates purchased by the disqualified bidder during the sale may be canceled and re-offered to other properly registered bidders.

To register early for the annual tax sale:

A bidder must be properly registered to be eligible to bid in the first session of the tax sale beginning at 7:30 a.m. on Monday, June 16, 2008. To properly register bidders, the interested party must complete the following steps:

- a. Submit properly completed and signed registration forms by 5:00 p.m. on Tuesday, June 10, 2008. The following forms must be submitted: *'Registration of Tax Sale Bidder or Assignee'*, *'W-9'*, *'Direct Deposit Authorization'*, and *'Registration of Authorized Agent'* (if applicable).

If not registering early for the annual tax sale:

Treasurer's staff at the Polk County Convention Complex will accept registrations beginning at 6:30 a.m. on Monday, June 16, 2008, and then at 7:30 a.m. for each succeeding day of the tax sale. The interested party must submit the properly completed forms (refer to Section 2: Registering for the Tax Sale-Registration Forms), the registration fee of \$100.00, and the authorized agent registration fee of \$75.00 (if applicable). The bidder will not be eligible to bid in the sale until after the first break following registration completion. However, if the maximum number of bidders has been reached in the random selection software, the bidder will not be eligible to bid in the sale until after a space becomes available.

Authorization to Change Agent

The interested party may elect to change the name of the authorized agent one time for a bidder number that has not been used to purchase tax sale certificates at the 2008 Annual or Adjourned Tax Sales. The fee for changing the name of an authorized agent is \$50.00 and is non-refundable.

To change the name of an authorized agent, the interested party must submit a properly completed '*Authorization to Change Agent*' form, using the official IRS name for the bidder name, and the change agent authorization fee of \$50.00 to Treasurer's Office staff at the registration desk. The signature and title on the '*Authorization to Change Agent*' form must be identical to the signature and title on all other registration forms. An employee of the Polk County Treasurer's Office will not notarize this form.

Bidder Cards

The Treasurer's Office will provide the bidder with a bidder card to be used for bidding at the annual tax sale. If registering early, please allow one business day following submittal of registration materials for the Treasurer's Office to prepare the bidder card(s). Bidders who register early must pick up their bidder card from the Polk County Treasurer's Office, Room 155, by 1:00 PM on June 13, 2008 to be eligible to bid in the first session of the tax sale. Cards will be issued on Monday, June 16, 2008 at the Polk County Convention Complex to those bidders who do not register early or pick up bidder cards by 1:00 PM on Friday, June 13, 2008.

Tax sale bidders must surrender their bidder cards to the registration desk at the conclusion of the sale. The Treasurer will charge a \$5.00 fee for the replacement of a bidder card during the 2008 tax sale if the card is lost or stolen or at future tax sales if the card is not returned to the Treasurer at the conclusion of the 2008 annual sale.

Proof of Age and Identity

All authorized agents/bidders/buyers/assignees must be 18 years of age or older as of June 16, 2008. The County Treasurer requires valid proof of age (i.e., driver's license or birth certificate.) Bidders and authorized agents should be prepared to show proof of age and identity (i.e. driver's license and birth certificate) upon entering the saleroom or at anytime during the tax sale.

If a bidder or authorized agent fails to provide proof of age and identity upon request by County Treasurer's staff, he/she will be given three hours to produce proper identification. The bidder is not allowed in the sale room during this three hour period. If proper proof of

age and identity cannot be produced in the allotted time, the auctioneer may disqualify the bidder from the sale, and all certificates purchased by the disqualified bidder during the sale may be canceled and re-offered to other properly registered bidders.

Treasurer's staff will routinely audit information provided on the registration forms against a bidder's or authorized agent's identification on a random basis throughout the sale. A registered bidder may be disqualified from the tax sale and all purchased certificates for the day may be canceled and re-offered to other properly registered bidders if an audit reveals an unauthorized agent was bidding for the registered bidder.

Bidder and Visitor Seating at the Tax Sale

Bidders are not allowed to reserve seating for other individuals or groups in the sale room. An area in the sale room will be designated for individuals who are not "properly registered" bidders of the tax sale and/or are attending as a visitor.

3. Bidding at the Tax Sale

Parcels with delinquent taxes are offered for sale in numerical sequence by item number within each taxing district, as reflected in the official tax sale publication. The tax sale consists of two sessions: regular and public bidder real estate sale items will be offered during the first session, and regular and public bidder mobile home items will be offered during the second session. **It is the bidder's responsibility to be prepared for the sale and to know the item number(s) within each district for the corresponding legal description(s) upon which he/she intends to bid.** The Tax Division of the Polk County Treasurer's Office can help a bidder obtain this information in the days before the sale.

Bidder numbers will be entered into the tax sale program prior to the start of the sale for those bidders who register early and obtain their bidder cards before 1:00 PM Friday, June 13, 2008. All other bidders must check-in at the registration desk at the tax sale to pick up their bidder cards and have their bidder numbers entered into the tax sale program. Treasurer's Office staff will only enter bidder numbers into the tax sale program during breaks by the auctioneer.

Each item will be offered for sale to all bidders considered "active" by the auctioneer, beginning with an opening bid of 100% undivided interest. (Note: "Active" means the bidder has properly registered and the bidder number is available for selection by the random selection software program used by the auctioneer.) After the auctioneer announces the next item to be sold, active bidders may bid downward a percentage of undivided interest. The bid-down percentage will give the winning bidder an undivided interest in the property upon issuance of a County Treasurer's tax sale deed. The bidder that initiates or continues a downward percentage bid must hold his/her bidder card up during the bid-down process. A "bid-down" will range in whole percentage points from 99% to 1%.

A tax sale can be set aside in a situation where a combination of bidders agree not to compete with each other in a bid-down process and one of them becomes the tax sale certificate holder. Such fraudulent collusion prevents selling an item for the smallest percentage of undivided interest of the parcel. This practice is prohibited at the Polk County Tax Sale and violation may disqualify a bidder from the sale.

When the auctioneer determines that there are no further bids and the bid is a tie, a bidder will be chosen by the random selection software program. The bidder selected at random must immediately accept the purchase of the item by announcing "sold" or refuse the item by announcing "pass", in which case another bidder will be randomly selected. If there is not a tie bid, the sale will be awarded to the lone active bidder. A response of "sold" to the auctioneer results in an obligation on the part of the bidder to pay for the certificate.

It is a prohibited practice for bidders to respond 'pass' or 'sold' for any bidder number called by the auctioneer other than for their own bidder number. A violation of this policy by responding to another number or alerting an associated bidder that their number has been called may result in all items purchased by the bidder and associated bidders being re-offered to other bidders present. This prohibited practice may also result in disqualification from the sale for both the bidder and associated bidders.

If there is no response from a bidder whose number has been selected, the auctioneer will "force" the bidder number out of the tax sale bidding for that session. The auctioneer will reactivate all "forced" numbers at each break. If it has been determined a bidder is not in attendance, the auctioneer will deactivate that bidder number. In this instance, the bidder must request to have his/her bidder number reactivated during the next break at the registration desk. The bidder is responsible for reviewing the status of his/her bidder number on the screen in the auction room during breaks.

Although a "properly registered" tax sale bidder may purchase tax sale certificates under multiple bidder names/numbers, the bidder may only use one bidder number and federal identification number at a time. A "properly registered" bidder may only switch bidder numbers once during the morning session and once during the afternoon session (refer to Section 2: Registering for the Tax Sale).

A bidder may submit a mailed bid if he/she cannot attend in person. The Polk County Treasurer's Office must receive the following information from the bidder prior to the Friday before the annual or adjourned tax sale for which the bidder is placing a bid:

- a. List of the item(s) on which he/she is placing a bid.
- b. The lowest percentage of undivided interest per item requested that the bidder is willing to bid.
- c. Properly completed and signed forms: '*Registration of Tax Sale Bidder or Assignee*', '*W-9*', and '*Direct Deposit Authorization*'.
- d. Payment in U.S. funds and in the form of a personal check, business check, money order, or any form of guaranteed funds. A separate payment is required for each item number bid. A check drawn on an IRA account will not be accepted unless issued for the exact amount of the purchase. **Two-party checks or cash will not be accepted.**

If another bid on the same item is received from a bidder who is present at the sale, the tax sale certificate will be issued to the bidder who is present. In cases where two or more mailed bids are received and the item is not sold to a person present during the sale, the mailed bid for the smallest percentage of undivided interest for the item will be awarded the certificate. In cases of a tie mailed bid, the mailed bid with the earliest U.S. Postal Service postmark will be awarded the certificate. The Treasurer's Office will use the random

selection software program to randomly select a purchaser if multiple tie mailed bids are received with the same U.S. Postal Service postmark.

4. Purchasing Tax Sale Certificates

Payment is required at the conclusion of the sale, or at the time a bidder leaves if before the conclusion of the sale. The amount collected will include all delinquent taxes and special assessments, interest, special assessment collection fees, rates or charges, service fees, and a fee of \$20.00 for each certificate to be issued.

Each interested party will be assigned one group number for his/her registered bidder number(s). A summary report will be printed at the conclusion of the sale, or at the time a bidder leaves if before the conclusion of the sale. The summary report will be printed by group number and will list items purchased by each bidder number in the group. Each interested party must make one payment for his/her group totaling the items purchased by all his/her bidder numbers. Interested parties may, upon request, make individual payment(s) by bidder number.

Bidders are required to review all items listed on the summary report provided prior to settlement and to notify Treasurer's Office staff of any discrepancy **before** making payment. Treasurer's staff will resolve all reported discrepancies.

Payment must be in U.S. funds and in the form of a personal check, business check, money order, or any form of guaranteed funds for the exact amount of the purchase. A check drawn on an IRA account will not be accepted unless issued for the exact amount of the purchase. **Two-party checks or cash will not be accepted for payment or for registration fees.** The County Treasurer reserves the right to require personal identification at the time of settlement.

If the Polk County Treasurer's Office does not receive payment from a bidder by the end of the payment period following the conclusion of the tax sale, all items purchased by the bidder and his/her associated bidders as shown on the summary reports will be re-offered to other bidders present before the tax sale is adjourned. If this occurs, the County Treasurer may disqualify the bidder and all associated bidders from future Polk County tax sales.

If a tax sale buyer's check does not clear his/her bank account, i.e., non-sufficient funds, account closed, etc., the buyer will have five business days following notification from the Treasurer to repay with guaranteed funds or the tax sale certificate(s) will be canceled. A \$30.00 service fee will be assessed for each check returned unpaid. The County Treasurer reserves the right to require guaranteed funds for any future payments from the tax sale buyer.

Please allow up to fifteen business days to receive purchased certificate(s). It is the interested party's responsibility to verify that the tax sale certificates received are correct for the parcels purchased. Each tax sale certificate issued for the June 2008 or a subsequent adjourned tax sale will have a certificate number on the first line of print in the upper left-hand corner. The certificate number identifies the year of the corresponding annual June tax sale and a sequentially assigned certificate number. For example, a tax sale certificate issued in June 2008 may have a certificate number of 2008-002459; and a certificate issued at a subsequent adjourned sale in February 2009, may have a certificate number of 2008-003352.

The tax sale certificate of purchase does not convey title to the certificate holder. The titleholder of record or other interested party retains the right to redeem within the statutory period, depending on the type of tax sale. If the tax sale remains unredeemed after the statutory period, the certificate holder may begin action to obtain a tax sale deed (refer to Section 10: '90 Day Notice of Right of Redemption' Affidavit).

5. Bidder Activity Report

The Treasurer's Office will offer for purchase a Bidder Activity Report during the annual tax sale. The report will list the taxing district number, item number, amount sold, percent of bid, and an indication of whether the bidder announced "passed", "sold", or was temporarily "forced" out of the sale by the auctioneer (see attached sample). The Bidder Activity Report for a bidder number will only be available for purchase by the interested party who registered that bidder number.

The interested party may choose to receive the report in either a .PDF or Excel Spreadsheet format and may choose to have the file copied onto a memory stick (provided by the interested party) or sent via email. The Bidder Activity Report will be available at the end of each day during the June Annual Tax Sale for a total fee of \$3.00 per bidder number. This fee is non-refundable. Payment must be received by the Treasurer's Office on or before Friday, June 13, 2008. Requests and payment for Bidder Activity Reports must be submitted to the following address:

The reimbursement will not be processed before the first business day following the cashier-validated date of redemption, as shown on the county's system. The Cash Management Division will return the tax sale certificate to the buyer and cancel the redemption. The tax sale will be reinstated as of the original sale date. A subsequent redemption will be calculated from the original date of the sale to the date of repayment.

At the end of the calendar year, the County Treasurer will issue a 1099-INT form and file a report with the IRS if the cumulative interest paid to the buyer during the calendar year is \$600 or more. A buyer's tax preparer may need this information when filing Federal and State Income Tax returns. If the interest paid to the buyer is less than \$600, a 1099-INT statement will not be issued; however, this information can be requested by calling (515) 286-3035. Instead of a 1099-INT form, a 1042-S form will be issued to non-resident aliens and foreign businesses prior to March 15 regardless of the dollar amount of interest income received by the buyer during the calendar year. The IRS will receive a copy of any 1042-S forms issued.

If a buyer underreports the interest amount received, the IRS will direct the Treasurer to implement a backup withholding procedure at the legal rate set by the IRS. If this should occur, the Treasurer reserves the right to ban the buyer and all associated buyers from future tax sales.

Upon request from the buyer, the Polk County Treasurer can provide a computer printout of the following:

- a. A copy of the detailed redemptions included in a buyer's 1099-INT form at a charge of \$10 per buyer number.
- b. A copy of a buyer's outstanding tax sales at a charge of \$10 per buyer number.

The Polk County Treasurer's Office will not provide or calculate year-end interest accruals or bookkeeping services other than to provide a copy of the redemption certificate at the time of reimbursement to the buyer.

8. Payment of Subsequent Taxes (Sub-list)

A certificate holder may pay subsequent delinquent tax and special assessments, including rates or charges, on the same parcel(s) on which s/he holds the tax sale certificate. The Treasurer's Office will accept payments for subsequent delinquent tax and special assessments beginning fourteen days following the date from which an installment

becomes delinquent. Only items delinquent in the current fiscal year or a prior year may be paid on a "sub-list". Special assessments, rates or charges due in future years cannot be paid until the fiscal year in which they become delinquent.

A certificate holder must request a sub-list report of delinquent tax from the Tax Division of the Treasurer's Office. A report will be printed and ready the following business day.

- All requests for sub-list reports must be received at least one day before the posting of the payment to allow adequate processing time.
- All sub-list payments must be received by the Treasurer's Office by noon on the last business day of the month to allow adequate processing time.

After sub-list payment(s) have been received and applied by the Treasurer's Office, the Treasurer will not refund the payment if the tax sale certificate holder later decides that he/she did not want to pay the delinquent tax on a particular parcel.

If a tax sale buyer's check for subsequent delinquent tax and special assessments does not clear his/her bank account, i.e., non-sufficient funds, account closed, etc., the subsequent delinquent tax and special assessment payments will be canceled. The buyer may repay with guaranteed funds. A \$30.00 service fee will be assessed for each check returned unpaid. The County Treasurer reserves the right to require guaranteed funds for any future payments from the tax sale buyer.

Request for Sub-list Reports

The certificate holder can request a Sub-list Report of subsequent delinquent taxes due by providing his/her buyer number to the Polk County Treasurer's Office. A tax sale buyer must submit his/her request through the mail, fax, or e-mail in the following format:

Example:

I, (name), hereby request subsequent delinquent tax amounts for the following buyer number(s):

BUYER NUMBER(s)
[Enter Buyer Numbers Here]

Please forward the Sub-list Report(s) to:

Name: _____
Address: _____
City/State/Zip: _____
Phone: _____
Fax: _____
e-mail Address: _____

Requests for Sub-list Reports must be submitted to:

Polk County Treasurer
Attention: Tax Division Supervisor
Tax Sale Sub-List Request
111 Court Avenue, Room 155
Des Moines, Iowa 50309-2298
Fax: (515)323-5202
E-mail: propertytax@co.polk.ia.us

The certificate holder must submit the Sub-list Report with the payment. A subsequent tax payment not accompanied with the Sub-List Report and/or not properly identified on the mailing envelope as a "Tax Sale Sub-List Payment" will be treated as a voluntary payment and will be omitted from redemption calculations. To avoid this situation, enclose the subsequent tax payment in an envelope clearly marked as follows:

Polk County Treasurer
Attention: Tax Division Supervisor
Tax Sale Sub-List Payment
111 Court Avenue, Room 155
Des Moines, Iowa 50309-2298

Subsequent tax payments received after noon on the last business day of the month may not be posted until the next month. The Treasurer's Office will notify the certificate holder of additional late interest due. Recorded subsequent tax payments will accrue interest at the rate of 2% per month, beginning with the month the payment is posted to the county system through the month of redemption. A separate check is required for each buyer number. Under no circumstances will the Polk County Treasurer's staff complete the check for a subsequent tax payment with the dollar amount. The Polk County Treasurer's Office will not accept cash for subsequent tax payments.

A subsequent tax payment must be received before 5:00 p.m., Thursday, June 12, 2008, to prevent the parcel from being offered at the 2008 Annual Tax Sale. A subsequent tax payment received after 5:00 p.m., Thursday, June 12, 2008 or during the tax sale may not be posted in time to prevent the parcel from being offered at the tax sale.

The Treasurer's Office does NOT accept tax sale subsequent tax payments via the web. A payment made by the tax sale certificate holder via the web will be treated as a voluntary payment and will be omitted from redemption calculations.

9. Assignment of a Tax Sale Certificate

The tax sale certificate of purchase is assignable by endorsement on the back of the certificate, payment by the assignee of a \$100 assignment transaction fee, and submittal of the certificate to the County Treasurer for posting to the county's system. An assignment is not considered valid until posted to the county's system by the County Treasurer's Office. A certificate cannot be assigned to another buyer who has redemption rights, except when the assignment is to a municipality. The assignor may not assign a certificate of purchase to more than one assignee/buyer number.

A tax sale certificate of purchase and/or a tax sale deed can be set aside if it is determined that the tax sale buyer or assignee was ineligible to purchase the tax sale certificate. The general rule is that a tax sale buyer or assignee should never have an interest or lien in the item offered for sale. A prospective bidder should consult with his/her legal counsel to determine the right to purchase tax sale certificates, either through bid or through assignment.

Upon Treasurer's Office receipt of the \$100 assignment transaction fee and the endorsed certificate, the assignment will vest in the assignee all the rights and title of the assignor. Please contact the tax division at (515) 286-3051 regarding the assignment of a certificate.

When a buyer requests the Treasurer record a change, other than the mailing address and telephone number, it is considered an assignment and the \$100 assignment transaction fee will be charged. This includes a change in the buyer's name, buyer's number, or federal identification number. Failure to provide the correct federal identification number or social security number at the time of purchase will result in a charge of \$100 for each certificate purchased.

10. **'90 Day Notice of Right of Redemption' Affidavit**

Service is completed when the certificate holder files the *'90 Day Notice of Right of Redemption'* affidavit with the County Treasurer. The certificate holder is responsible for determining the status of a tax sale before serving the *'Notice of Expiration of Right of Redemption'* upon persons who have a recorded interest in the property. It is a prohibited practice for the tax sale certificate holder to serve the *'Notice of Expiration of Right of Redemption'* OR file the *'90 Day Notice of Right of Redemption'* affidavit with the County Treasurer if the tax sale has already been redeemed. A violation of this policy may result in the tax sale buyer being barred from future tax sales in Polk County.

Service must be compliant with the law in effect at the time of the tax sale.

a. **Regular Tax Sale:**

A tax sale certificate holder may serve a *'Notice of Expiration of Right of Redemption'* after one year and nine months from the date of sale. Any certificate holder may be barred from future tax sales in Polk County for serving said notice or a similarly worded notice before the expiration of this time period or after redemption of the tax sale. It is Polk County's intent to afford all property owners with all of the rights and remedies of the Iowa statutes.

b. **Public Bidder Sale:**

A tax sale certificate holder may serve a *'Notice of Expiration of Right of Redemption'* after nine months from the date of sale. Any certificate holder may be barred from future tax sales in Polk County for serving said notice or a similarly worded notice before the expiration of this time period or after redemption of the tax sale. It is Polk County's intent to afford all property owners with all of the rights and remedies of the Iowa statutes.

If the certificate holder fails to file a '90 Day Notice of Right of Redemption' affidavit within three years from the date of the tax sale, the County Treasurer will cancel the tax sale. In this instance, the certificate holder is not entitled to a refund. This date may be extended if the filing of the '90 Day Notice of Right of Redemption' affidavit is stayed due to bankruptcy proceedings. Please consult with your legal counsel to determine the impact of bankruptcy proceedings on tax sale certificates.

11. Statement of Costs

The tax sale certificate holder or his/her agent or attorney must file a "Statement of Costs" with the "90-Day Notice of Right of Redemption" affidavit certifying the type and amount of authorized costs incurred. Authorized costs are defined in §447.13, Code of Iowa as amended and include the cost of serving the notice, including the cost of sending certified mail notices, the cost of publication if publication is required, and the cost of a record search. Attorney fees are not authorized costs. By statute (§447.12), costs cannot be filed with the County Treasurer prior to the filing of the '90 Day Notice of Right of Redemption' affidavit with the County Treasurer.

The Polk County Treasurer requires proof that costs are valid. For publication costs, the Polk County Treasurer requires a copy of the newspaper publisher's invoice and a statement from the certificate holder substantiating the reason service was made by publication prior to posting publication costs to the amount necessary to redeem. Fees for publication, if publication is required, shall not exceed the customary publication fees for official county publications.

The certificate holder or his/her agent or attorney must certify in the "Statement of Costs" that the record search was performed by an abstractor who is an active participant in the title guaranty program under Iowa Code Section 16.91 or by an attorney licensed to practice law in the state of Iowa. The amount of the cost of the record search that may be added to the amount necessary to redeem shall not exceed three hundred dollars. The Polk County Treasurer requires an invoice from the abstractor or attorney who performed the record search.

12. Tax Sale Deed

To request a tax sale deed, the tax sale certificate holder must return the certificate of purchase and remit the appropriate deed issuance fee and recording fee to the Polk County Treasurer's Office. Payment must be in the form of a personal check, business check, money order, or any form of guaranteed funds. The fee for obtaining a tax sale deed is \$25.00 payable to the Polk County Treasurer. The recording fee is variable as determined at the time a deed is requested and payable to the Polk County Recorder. All fees must be paid prior to delivery of the tax sale deed to the certificate holder.

The certificate holder must complete action to obtain a tax sale deed within ninety calendar days after the redemption period expires. The County Treasurer is required by statute to cancel the certificate of purchase when the tax sale certificate holder fails to comply. If the County Treasurer cancels the tax sale, the tax sale certificate holder is not entitled to a refund.

Tax sale certificate holders may use the Internet Portfolio Service for paying taxes on multiple parcels acquired by tax sale deed in Polk County and also in Buchanan, Clayton, Dickinson, Floyd, Iowa, Johnson, Linn, Montgomery, Pottawattamie, and Poweshiek County. This service must not be used for paying subsequent delinquent taxes (sub-list payments). A subsequent tax payment made by the tax sale certificate holder via the Portfolio Service will be treated as a voluntary payment and will be omitted from redemption calculations.

The Portfolio Service enables the tax sale certificate holder to track properties acquired by tax sale deed for the most up-to-date tax information and to complete an electronic payment of taxes. Please see the enclosed flyer for more information concerning this service.

The Portfolio Service was developed and is maintained by Iowa Interactive, Inc. of Des Moines, Iowa. Iowa Interactive has provided online services for Polk County since 2002.

13. Erroneous Tax Sale or Assignment

If it is determined that any item was erroneously sold, the certificate of purchase will be canceled. This includes web payments received the day of the sale and prior to a successful bid. The certificate holder will return the certificate of purchase and the Polk County Treasurer will reimburse the principal amount of the investment. The Treasurer will not pay interest.

If it is determined that a county-held certificate was erroneously assigned, the assignment will be canceled. The certificate holder will return the certificate of purchase, and the Polk County Treasurer will reimburse the total amount paid for the assignment. Interest from the assignment date to the date of cancellation of the assignment will not be paid.

14. Abandoned Property or Vacant Lots

Iowa law permits a county or city to purchase or require an assignment of a tax sale certificate for an abandoned property or a vacant lot. The county or city is required to file a verified statement with the County Treasurer that the property is abandoned or a vacant lot. For additional information, refer to Iowa Code § 446.19A as amended.

15. Tax Sale Publication

Copies of the official tax sale publication will be available for purchase beginning the week of June 2nd, 2008 at a cost of \$5. Prospective tax sale bidders are limited to one copy per bidder number. The Treasurer will not mail the publication.

16. Tax Sale Delinquent Parcel Reports

A computer report of delinquent items (see attached sample) will be available for purchase as of May 1, 2008. The report for the June 2008 tax sale will reflect the June tax sale amounts for items eligible to be sold at the time the report is printed, and will include the parcel classification, i.e., residential, commercial, industrial, etc., and the market value

This will allow the Treasurer time to provide appropriate and timely accommodations.

Tax sale buyers are directed to take notice of legal restrictions regarding ownership of agricultural land by non-resident aliens and foreign businesses, as presented in Iowa Code Chapter 9I.

Non-resident aliens and foreign businesses must complete a 'W-8BEN' form. The form is used to establish foreign status, claim that such person or business is the beneficial owner of the income for which the form is being furnished, and if applicable, claim a reduced rate of, or exemption from, withholding under an income tax treaty between the United States and the buyer's country. General Instructions

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

The person who gives Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States is in the following cases:

- The U.S. owner of a disregarded entity and not the entity,

- The U.S. grantor or other owner of a grantor trust and not the trust, and
- The U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person, do not use Form W-9. Instead, use the appropriate Form W-8 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a “saving clause.” Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity not subject to backup withholding, give the requester the appropriate completed Form W-8.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called “backup withholding.” Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See the instructions below and the separate Instructions for the Requester of Form W-9.

Also see *Special rules for partnerships* on page 1.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your income tax return on the “Name” line. You may enter your business, trade, or “doing business as (DBA)” name on the “Business name” line.

Limited liability company (LLC). Check the “Limited liability company” box only and enter the appropriate code for the tax classification (“D” for disregarded entity, “C” for corporation, “P” for partnership) in the space provided.

For a single-member LLC (including a foreign LLC with a domestic owner) that is disregarded as an entity separate from its owner under Regulations section 301.7701-3, enter the owner’s name on the “Name” line. Enter the LLC’s name on the “Business name” line.

For an LLC classified as a partnership or a corporation, enter the LLC’s name on the “Name” line and any business, trade, or DBA name on the “Business name” line.

Other entities. Enter your business name as shown on required federal tax documents on the “Name” line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the “Business name” line.

Note. You are requested to check the appropriate box for your status (individual/sole proprietor, corporation, etc.).

Exempt Payee

If you are exempt from backup withholding, enter your name as described above and check the appropriate box for your status, then check the “Exempt payee” box in the line following the business name, sign and date the form.

Generally, individuals (including sole proprietors) are not exempt from backup withholding. Corporations are exempt from backup withholding for certain payments, such as interest and dividends.

Note. If you are exempt from backup withholding, you should still complete this form to avoid possible erroneous backup withholding.

The following payees are exempt from backup withholding:

1. An organization exempt from tax under section 501(a), any IRA, or a custodial account under section 403(b)(7) if the account satisfies the requirements of section 401(f)(2),
2. The United States or any of its agencies or instrumentalities,
3. A state, the District of Columbia, a possession of the United States, or any of their political subdivisions or instrumentalities,
4. A foreign government or any of its political subdivisions, agencies, or instrumentalities, or
5. An international organization or any of its agencies or instrumentalities.

Other payees that may be exempt from backup withholding include:

6. A corporation,
7. A foreign central bank of issue,
8. A dealer in securities or commodities required to register in the United States, the District of Columbia, or a possession of the United States,
9. A futures commission merchant registered with the Commodity Futures Trading Commission,
10. A real estate investment trust,
11. An entity registered at all times during the tax year under the Investment Company Act of 1940,
12. A common trust fund operated by a bank under section 584(a),
13. A financial institution,
14. A middleman known in the investment community as a nominee or custodian, or
15. A trust exempt from tax under section 664 or described in section 4947.

The chart below shows types of payments that may be exempt from backup withholding. The chart applies to the exempt payees listed above, 1 through 15.

IF the payment is for . . .	THEN the payment is exempt for . . .
Interest and dividend payments	All exempt payees except for 9
Broker transactions	Exempt payees 1 through 13. Also, a person registered under the Investment Advisers Act of 1940 who regularly acts as a broker
Barter exchange transactions and patronage dividends	Exempt payees 1 through 5
Payments over \$600 required to be reported and direct sales over \$5,000 ¹	Generally, exempt payees 1 through 7

¹ See Form 1099-MISC, Miscellaneous Income, and its instructions.

² However, the following payments made to a corporation (including gross proceeds paid to an attorney under section 6045(f), even if the attorney is a corporation) and reportable on Form 1099-MISC are not exempt from backup withholding: medical and health care payments, attorneys' fees, and payments for services paid by a federal executive agency.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited liability company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local Social Security Administration office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting www.irs.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded domestic entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, and 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). Exempt payees, see *Exempt Payee* on page 2.

Signature requirements. Complete the certification as indicated in 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

Call the IRS at 1-800-829-1040 if you think your identity has been used inappropriately for tax purposes.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS personal property to the Treasury Inspector General for Tax Administration at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.consumer.gov/idtheft or 1-877-IDTHEFT(438-4338).

Visit the IRS website at www.irs.gov to learn more about identity theft and how to reduce your risk.
