by the associated bidders may be canceled and re-offered to other properly registered bidders. Audits of the bidders will be done to determine if any associations exist which exceed the limit of 50. Names, addresses, interested parties, bank accounts, and shared resources (including employees) are examples of some of the bidder information that will be analyzed to determine if there is an association among bidders.

If capacity of the tax sale has still been exceeded, the limit of 40 bidder numbers will be reduced by another 10 bidder numbers to a maximum of 30. This process will continue until the number of bidders no longer exceeds the capacity of the tax sale.

All authorized agents/bidders/buyers/assignees must be 18 years of age or older as of June 19, 2017. The county treasurer requires valid proof of age and identity (i.e., driver's license, birth certificate and picture id.) Bidders and authorized agents should be prepared to show proof of age and identity upon entering the sale room or at any time during the tax sale.

If a bidder or authorized agent fails to provide proof of age and identity upon request by Polk County Treasurer's staff, he/she will be given three hours to produce proper identification. The bidder is not allowed in the sale room during this three-hour period. If proper proof of age and identity cannot be produced in the allotted time, the auctioneer may disqualify the bidder from the sale; all certificates purchased by the disqualified bidder during the sale may be canceled and re-offered to other properly registered bidders.

Treasurer's staff will routinely audit information provided on the registration forms against a bidder's or authorized agent's identification on a random basis throughout the sale. A registered bidder may be disqualified from the tax sale and all purchased certificates may be canceled and re-offered to other properly registered bidders if an audit reveals an unauthorized agent was bidding for the registered bidder.

Bidder and Visitor Seating at the Tax Sale:

Bidders are not allowed to reserve seating for other individuals or groups in the sale room. An area in the sale room will be designated for individuals who are not "properly registered" bidders of the tax sale and/or are attending as a visitor.

3. Bidding at the Tax Sale

Parcels with delinquent taxes are offered for sale in numerical sequence by item number within each taxing district, as reflected in the official tax sale publication. The tax sale consists of two sessions; regular and public bidder real estate sale items will be offered during the first session, and regular and public bidder manufactured home items will be offered during the second session. **It is the bidder's responsibility to be prepared for the sale and to know the item number(s) within each district for the corresponding legal description(s) upon which he/she intends to bid.** The Tax Division of the Polk County Treasurer's Office can help a bidder obtain this information in the days before the sale.

Bidder numbers will be entered into the tax sale random selection program prior to the start of the sale for those bidders who are registered and have obtained their bidder cards before 3:00 p.m. Friday, June 16, 2017. All other bidders must check-in at the registration desk at the tax sale to pick up their bidder cards and have their bidder numbers entered into the tax sale random selection program. Treasurer's Office staff will only enter bidder numbers into the tax sale random selection program during breaks by the auctioneer.

Each item will be offered for sale to all bidders considered "active" by the auctioneer, beginning with an opening bid of 100% undivided interest. (Note: "Active" means the bidder has properly registered and the bidder number is available for selection by the random selection software program used by the auctioneer.) After the auctioneer announces the next item to be sold, active bidders may bid downward a percentage of undivided interest. The bid-down percentage will give the winning bidder a percentage of undivided interest in the property upon issuance of a county treasurer's tax sale deed. The bidder that initiates or continues a downward percentage bid must hold his/her bidder card up during the bid-down process. A "bid-down" will range in whole percentage points from 99% to 1%.

A tax sale can be set aside in a situation where a combination of bidders agree not to compete with each other in a bid-down process and one of them becomes the tax sale certificate holder. Such fraudulent collusion prevents selling an item for the smallest percentage of undivided interest of the parcel. This practice is prohibited at the Polk County Tax Sale and violation may disqualify a bidder from the sale.

When the auctioneer determines that there are no further bids and the bid is a tie, a bidder will be chosen by the random selection software program. The bidder selected at random must immediately accept the purchase of the item by announcing "sold" or refuse the item by announcing "pass", in which case another bidder will be randomly selected. If there is not a tie bid, the sale will be awarded to the lone active bidder. A response of "sold" to the auctioneer results in an obligation on the part of the bidder to pay for the certificate.

It is a prohibited practice for bidders to respond "pass" or "sold" for any bidder number called by the auctioneer other than their own. A violation of this policy by responding to another number or alerting associated bidders that their number has been called may result in all items purchased by the bidder and

associated bidders being re-offered to other bidders present. This prohibited practice may also result in disqualification from the sale for both the bidder and all associated bidders.

If there is no response from a bidder whose number has been selected, the auctioneer will “force” the bidder number out of the tax sale bidding for that session. The auctioneer will reactivate all “forced” numbers at each break. The auctioneer will deactivate the bidder numbers for those bidders not present at the tax sale. In this instance, the bidder must make a request at the registration desk to have his/her bidder number reactivated upon returning to the tax sale. The auctioneer will then reactivate the “deactivated” number at the next break.

Although a “properly registered” tax sale bidder may purchase tax sale certificates under multiple bidder names/numbers, the bidder may only use one bidder number and federal identification number at a time. A “properly registered” bidder may only switch bidder numbers once during the morning session and once during the afternoon session (refer to Section 2: Registering for the Tax Sale).

A bidder may submit a mailed bid if he/she cannot attend in person. The Polk County Treasurer’s Office must receive the following information from the bidder before the Friday immediately preceding the annual or adjourned tax sale for which the bidder is placing a bid:

- a. List of the item(s) on which he/she is placing a bid.
- b. The lowest percentage of undivided interest per item requested that the bidder is willing to bid.
- c. Properly completed and signed forms: ‘*Registration of Tax Sale Bidder or Assignee*’, ‘*W-9*’, and ‘*Direct Deposit Authorization*’
- d. ‘*Certificate of Existence*’ from the Iowa Secretary of State or ‘*Trade Name Verified Statement*’ from the county recorder of the county where the interested party is registering to bid (if applicable).
- e. Payment for registration fees and delinquent taxes and fees in U.S. funds and in the form of a personal check, business check, money order, or any form of guaranteed funds. A separate payment is required for each item number bid. A check drawn on an IRA account will not be accepted unless issued for the exact amount of the purchase. **Two-party checks or cash will not be accepted.**

If another bid on the same item is received from a bidder who is present at the sale, the tax sale certificate will be issued to the bidder who is present. In cases where two or more mailed bids are received and the item is not sold to a person present during the sale, the mailed bid for the smallest percentage of undivided interest for the item will be awarded the certificate. In cases of a tie mailed bid, the mailed bid with the earliest U.S. Postal Service postmark will be awarded the certificate. The Treasurer’s Office will use the random selection software program to randomly select a purchaser if multiple tie mailed bids are received with the same U.S. Postal Service postmark.

If the Treasurer’s Office determines that a bidder has failed to make payment for tax sale certificate(s) in any county in Iowa, the auctioneer may disqualify the bidder from the sale; all certificates purchased during the sale by the disqualified bidder may be canceled and re-offered to other properly registered bidders.

4. Purchasing Tax Sale Certificates

Each interested party will be assigned one group number for his/her registered bidder number(s). A summary report will be printed at the conclusion of the sale, or at the time a bidder leaves if before the conclusion of the sale. The summary report will be printed by group number and will list items purchased by each bidder number in the group. Each interested party must make one payment for his/her group totaling the items purchased by all his/her bidder numbers. Interested parties may, upon request, make individual payment(s) by bidder number.

Payment is required at the conclusion of the sale, or at the time a bidder leaves if before the conclusion of the sale. The amount collected will include all delinquent taxes and special assessments, interest, special assessment collection fees, rates or charges, returned check fees, service fees, and a fee of \$20.00 for each certificate to be issued.

Bidders are required to review all items listed on the summary report provided prior to settlement and to notify Treasurer’s Office staff of any discrepancy **before** making payment. Treasurer’s staff will review reported discrepancies.

Payment must be in U.S. funds and in the form of a personal check, business check, money order, or any form of guaranteed funds for the exact amount of the purchase. A check drawn on an IRA account will

not be accepted unless issued for the exact amount of the purchase. **Two-party checks or cash will not be accepted for payment or for registration fees.** The county treasurer reserves the right to require personal identification at the time of settlement.

If the Polk County Treasurer's Office does not receive payment from a bidder by the end of the payment period following the conclusion of the tax sale, all items purchased by the bidder and his/her associated bidders as shown on the summary reports will be re-offered to other bidders at the July adjourned tax sale. If this occurs, the county treasurer may disqualify the bidder and all associated bidders from future Polk County tax sales.

If a tax sale buyer's check does not clear his/her bank account, i.e., non-sufficient funds, account closed, etc., the buyer will have five business days following notification from the treasurer to repay with guaranteed funds or the tax sale certificate(s) will be canceled. A \$30.00 service fee will be assessed for each check returned unpaid. The county treasurer reserves the right to require guaranteed funds for any future payments from the tax sale buyer.

Please allow up to fifteen business days to receive purchased certificate(s). It is the interested party's responsibility to verify that the tax sale certificates received are correct for the parcels purchased. Each tax sale certificate issued for the June 2017 or a subsequent adjourned tax sale will have a certificate number on the first line of print in the upper left-hand corner. The certificate number contains a prefix and a sequentially assigned certificate number. For example, a June 2017 annual tax sale certificate may have a certificate number of 'REG Tax Sale-2566.'

The tax sale certificate of purchase does not convey title to the certificate holder. The titleholder of record or other interested party retains the right to redeem within the statutory period, according to the type of tax sale. If the tax sale remains unredeemed after the statutory period, the certificate holder may begin action to obtain a tax sale deed (refer to Section 10: '90 Day Notice of Right of Redemption' Affidavit).

5. Bidder Activity Report

The Treasurer's Office will offer for purchase a '*Bidder Activity Report*' during the annual tax sale. The report will list the taxing district number, item number, amount sold, percent of bid, and an indication of whether the bidder announced "passed", "sold", or was temporarily "forced" out of the sale by the auctioneer (see attached sample). The '*Bidder Activity Report*' for a bidder number is only available for purchase by the interested party who registered that bidder number.

The interested party may choose to receive the report in either a .PDF or Excel Spreadsheet format. The Treasurer's Office will send the file to the Interested Party's email address at the end the June Annual Tax Sale. A redeemed tax sale will include the following:

- a. The original tax sale amount, including the \$20.00 certificate fee paid by the buyer at the time of the sale.
- b. Interest in the amount of 2% per month, beginning with the month of the sale to the month of redemption, calculated against the amount for which the item was sold, including the \$20.00 certificate of purchase fee. Each fraction of a month will count as a whole month.
- c. Subsequent tax payments paid and properly reported by the certificate holder as an addition to the sale, with interest in the amount of 2% per month, beginning with the month the subsequent payment is posted to the county system to the month of redemption. Each fraction of a month will count as a whole month (refer to Section 8: Payment of Subsequent Taxes).
- d. Valid costs incurred by the certificate holder of record and posted to the county system for action taken toward obtaining a tax sale deed. Costs not posted to the county system before redemption shall not be collected by the county treasurer (refer to Section 11: Statement of Costs).

The buyer is responsible for checking redemptions for which he/she holds the certificate of purchase to determine if redemption funds are available for reimbursement. If requesting for multiple buyers, include the group number and all buyer numbers in the request and submit it in one of the following manners:

Polk County Treasurer's Cash Management Division

d. Email: cashmanagement@polkcountyiowa.gov

e. Mail: 111 Court Ave, Room 160, Des Moines, IA 50309-2298

The tax sale certificate number will be provided to you, upon inquiry, for a tax sale certificate under your buyer number that has been redeemed.

Upon surrender of the tax sale certificate for a redeemed tax sale, either in person or by mail, the Polk County Treasurer's Cash Management Division will directly deposit the redemption proceeds to the buyer's designated checking account at a U.S. financial institution. The reimbursement will not be processed before the first business day following the cashier-validated date of redemption, as shown on the county system. The Cash Management Division in the Treasurer's Office will mail a copy of the redemption certificate reflecting the total amount of the redemption to the buyer. Buyers should retain the redemption certificate copy for income tax purposes. A Treasurer's check will not be issued for redemption proceeds.

If the original certificate of purchase has been lost or destroyed, a duplicate can be obtained from the Polk County Treasurer's Cash Management Division at a cost of \$20. Please call (515) 286-3035 to request a duplicate certificate.

In the event a buyer has been reimbursed for a redemption and the redeeming party's check does not clear his/her bank account, the buyer will be notified by the Cash Management Division and will be required to immediately return the redemption funds. The Cash Management Division will return the tax sale certificate to the buyer and cancel the redemption. The tax sale will be reinstated as of the original sale date. A subsequent redemption will be calculated from the original date of the sale to the date of repayment.

At the end of the calendar year, the county treasurer will issue a 1099-INT form and file a report with the IRS if the cumulative interest paid to the buyer during the calendar year is \$600 or more. A buyer's tax preparer may need this information when filing Federal and State Income Tax returns. If the interest paid to the buyer is less than \$600, a 1099-INT statement will not be issued; however, this information can be requested by calling (515) 286-3035. Instead of a 1099-INT form, a 1042-S form will be issued to non-

resident aliens and foreign businesses prior to March 15 regardless of the dollar amount of interest income received by the buyer during the calendar year. The IRS will receive a copy of all 1042-S forms issued.

If a buyer underreports the interest amount received, the IRS will direct the Treasurer to implement a backup withholding procedure at the legal rate set by the IRS. If this should occur, the Treasurer reserves the right to ban the buyer and all associated buyers from future tax sales.

Upon request from the buyer, the Polk County Treasurer can provide a computer printout of the following:

- a. A copy of the detailed redemptions included in a buyer's 1099-INT form at a charge of \$10 per buyer number.
- b. A copy of a buyer's outstanding tax sales at a charge of \$10 per buyer number.

The Polk County Treasurer's Office will not provide or calculate year-end interest accruals or bookkeeping services other than to provide a copy of the redemption certificate at the time of reimbursement to the buyer.

8. Payment of Subsequent Taxes (Sub-list)

A certificate holder may pay subsequent delinquent taxes and special assessments, including rates or charges, on the same parcel(s) on which he/she holds the tax sale certificate. The Treasurer's Office will accept payments for subsequent delinquent taxes and special assessments beginning one month and fourteen days following the date from which an installment becomes delinquent. Only items delinquent in the current fiscal year or a prior year may be paid on a "sub-list". Special assessments, rates or charges due in future years cannot be paid until the fiscal year in which they become delinquent.

As a prerequisite to the payment of subsequent taxes, a certificate holder must request a '*Sub-list Report*' of delinquent taxes from the Tax Division of the Treasurer's Office. A report will be printed and ready the following business day.

- All requests for '*Sub-list Reports*' must be received at least one day before the posting of the payment to allow adequate processing time.
- All sub-list payments must be received by the Treasurer's Office by noon on the last business day of the month to allow adequate processing time.

After sub-list payment(s) have been received and applied by the Treasurer's Office, the Treasurer will not refund the payment if the tax sale certificate holder later decides that he/she did not want to pay the delinquent tax on a particular parcel.

If a tax sale buyer's check for subsequent delinquent taxes and special assessments does not clear his/her bank account, i.e., non-sufficient funds, account closed, etc., the subsequent delinquent tax and special assessment payments will be canceled. The buyer may repay with guaranteed funds. A \$30.00 service fee may be assessed for each check returned unpaid. The county treasurer reserves the right to require guaranteed funds for any future payments from the tax sale buyer.

Request for '*Sub-list Reports*':

The certificate holder can request a '*Sub-list Report*' of subsequent delinquent taxes due by providing his/her buyer number(s) to the Polk County Treasurer's Office. Requests for '*Sub-list Reports*' must be submitted to:

Polk County Treasurer
Attention: Tax Division Supervisor
Tax Sale Sub-List Request
111 Court Ave, Des Moines, Iowa 50309-2298
Fax: (515)323-5202
E-mail: propertytax@polkcountyiowa.gov

A tax sale buyer must submit his/her request through mail, fax, or e-mail in the following format:

Example:

I, (name), hereby request subsequent delinquent tax amounts for the following buyer number(s):

BUYER NUMBER(s)
[Enter Buyer Numbers Here]

Please forward the Sub-list Report(s) to:

Name: _____
Address: _____
City/State/Zip: _____
Phone: _____

Fax: _____

Email Address: _____

The certificate holder must submit the '*Sub-list Report*' with the payment. A subsequent tax payment not accompanied with the '*Sub-List Report*' and/or not properly identified on the mailing envelope as a "Tax Sale Sub-List Payment" will be treated as a voluntary payment and will be omitted from redemption calculations.

To insure accurate processing, enclose the subsequent tax payment in an envelope clearly marked as follows:

Polk County Treasurer
Attention: Tax Division Supervisor
Tax Sale Sub-List Payment
111 Court Ave, Des Moines, Iowa 50309-2298

Subsequent tax payments received after noon on the last business day of the month may not be posted until the next month. The Treasurer's Office will notify the certificate holder of additional late interest due. Recorded subsequent tax payments will accrue interest at the rate of 2% per month, beginning with the month the payment is posted to the county system through the month of redemption. Each interested party must provide one check for each bidder group totaling the items on the '*Sub-list Report*' of delinquent tax. Interested parties may, upon request, make individual payment(s) by bidder number.

Payment must be in U.S. funds and in the form of a personal check, business check, money order, or any form of guaranteed funds. A check drawn on an IRA account will not be accepted unless issued for the exact amount of the delinquent taxes due. **Two-party checks or cash will not be accepted for payment of subsequent taxes. Under no circumstances will the Polk County Treasurer's staff complete the check for a subsequent tax payment with the dollar amount.**

A subsequent tax payment must be received before 5:00 p.m., Tuesday, June 13, 2017, to prevent the parcel from being offered at the June 2017 Annual Tax Sale. A subsequent tax payment received after 5:00 p.m., Tuesday, June 13, 2017 may not be posted until after the conclusion of the tax sale. In this case, it will not prevent the parcel from being offered to other bidders present at the tax sale.

The Treasurer's Office does NOT accept tax sale subsequent tax payments via the web. A subsequent tax payment made by the tax sale certificate holder via the web will be treated as a voluntary payment and will be omitted from redemption calculations.

The tax sale certificate of purchase is assignable by endorsement on the back of the certificate, payment by the assignee of a \$100 assignment transaction fee, and submittal of the certificate to the county treasurer for posting to the county system. An assignment is not considered valid until posted to the county system by the county treasurer's office. A certificate cannot be assigned to another buyer who has redemption rights, except when the assignment is to a municipality. The assignor may not assign a certificate of purchase to more than one assignee/buyer number.

A tax sale certificate of purchase and/or a tax sale deed can be set aside if it is determined that the tax sale buyer or assignee was ineligible to purchase the tax sale certificate. The general rule is that a tax sale buyer or assignee should never have an interest or lien in the item offered for sale. A prospective bidder should consult with his/her legal counsel to determine the right to purchase tax sale certificates, either through bid or through assignment.

Upon Treasurer's Office receipt of the \$100 assignment transaction fee and the endorsed certificate, the assignment will vest in the assignee all the rights and title of the assignor. Please call (515) 286-3060 and ask to speak with a Tax Division supervisor concerning the assignment of a tax sale certificate.

A change to buyer information, other than to the mailing address or telephone number, will be treated as an assignment and the \$100 assignment transaction fee will be charged. This includes a change in the buyer's name, buyer's number, social security number, or federal tax identification number. Failure to provide the correct social security number or federal tax identification number at the time of purchase will result in a charge of \$100 to change each certificate purchased.

10. **'90 Day Notice of Right of Redemption' Affidavit**

Should the tax sale certificate holder determine that service on the county under Iowa Code Section 447.9 is required, he/she must deliver the notice to the following address:

Polk County Treasurer's Office
Attn: Administrative Division
Notice of Right of Redemption
111 Court Ave, Room 140
Des Moines, IA 50309-2298

Service is completed when the certificate holder files the '*90 Day Notice of Right of Redemption*' affidavit with the county treasurer. The certificate holder is responsible for determining the status of a tax sale before serving the '*Notice of Expiration of Right of Redemption*' upon persons who have an interest in the property. It is a prohibited practice for the tax sale certificate holder to serve the '*Notice of Expiration of Right of Redemption*' OR file the '*90 Day Notice of Right of Redemption*' affidavit with the county treasurer if the tax sale has already been redeemed. A violation of this policy may result in the tax sale buyer being barred from future tax sales in Polk County.

Service must be compliant with the law in effect at the time of the tax sale.

a. **Regular Tax Sale:**

A tax sale certificate holder may serve a '*Notice of Expiration of Right of Redemption*' after one year and nine months from the date of sale. Any certificate holder may be barred from future tax sales in Polk County for serving said notice or a similarly worded notice before the expiration of this time period or after redemption of the tax sale. It is Polk County's intent to afford all property owners with all of the rights and remedies of the Iowa statutes.

b. **Public Bidder Sale:**

A tax sale certificate holder may serve a '*Notice of Expiration of Right of Redemption*' after nine months from the date of sale. Any certificate holder may be barred from future tax sales in Polk County for serving said notice or a similarly worded notice

before the expiration of this time period or after redemption of the tax sale. It is Polk County's intent to afford all property owners with all of the rights and remedies of the Iowa statutes.

If the certificate holder fails to file a '90 Day Notice of Right of Redemption' affidavit within three years from the date of the tax sale, the county treasurer will cancel the tax sale. In this instance, the certificate holder is not entitled to a refund. This date may be extended if the filing of the '90 Day Notice of Right of Redemption' affidavit is stayed due to bankruptcy proceedings. Bidders should consult with their legal counsel to determine the impact of bankruptcy proceedings on tax sale certificates.

11. Statement of Costs

The tax sale certificate holder or his/her agent or attorney must file a "Statement of Costs" with the "90-Day Notice of Right of Redemption" affidavit certifying the type and amount of authorized costs incurred. Authorized costs are defined in Iowa Code Section 447.13 and include the cost of serving the notice: cost of sending certified mail notices, cost of publication if publication is required, and cost of a record search. Attorney fees are not authorized costs. Pursuant to Iowa Code Section 447.12, the tax sale certificate holder cannot file costs before filing the '90 Day Notice of Right of Redemption' affidavit with the county treasurer.

The Polk County Treasurer requires proof that costs are valid prior to posting to the amount necessary to redeem. For publication costs, the Polk County Treasurer requires a copy of the newspaper publisher's invoice and a statement from the certificate holder substantiating the reason service was made by publication. Fees for publication, if publication is required, shall not exceed the customary publication fees for official county publications.

The certificate holder or his/her agent or attorney must certify in the "Statement of Costs" that the record search was performed by an abstractor who is an active participant in the title guaranty program under Iowa Code Section 16.91 or by an attorney licensed to practice law in the State of Iowa. The amount of the cost of the record search that may be added to the amount necessary to redeem shall not exceed three hundred dollars. The Polk County Treasurer requires an invoice from the abstractor or attorney who performed the record search.

12. Tax Sale Deed

To request a tax sale deed, the tax sale certificate holder must return the certificate of purchase and remit the appropriate deed issuance fee and recording fee to the Polk County Treasurer's Office. Payment must be in the form of a personal check, business check, money order, or any form of guaranteed funds. The fee for obtaining a tax sale deed is \$25.00 payable to the Polk County Treasurer. The recording fee is variable as determined at the time a deed is requested and payable to the Polk County Recorder. All fees must be paid prior to delivery of the tax sale deed to the certificate holder.

The certificate holder must complete action to obtain a tax sale deed within ninety calendar days after the redemption period expires. The county treasurer is required by statute to cancel the certificate of purchase when the tax sale certificate holder fails to comply. If the county treasurer cancels the tax sale, the tax sale certificate holder is not entitled to a refund.

13. Erroneous Tax Sale or Assignment

If it is determined that any item was erroneously sold, the certificate of purchase will be canceled. This includes web payments received the day of the sale and prior to a successful bid. The certificate holder will return the certificate of purchase and the Polk County Treasurer will reimburse the principal amount of the investment. Interest from the sale date to the date of cancellation will not be paid.

If it is determined that a county-held certificate was erroneously assigned, the assignment will be canceled. The certificate holder will return the certificate of purchase, and the Polk County Treasurer will reimburse the total amount paid for the assignment. Interest from the assignment date to the date of cancellation of the assignment will not be paid.

14. Abandoned Property or Vacant Lots

Iowa law permits a county or city to purchase or require an assignment of a tax sale certificate for an abandoned property or a vacant lot. The county or city is required to file a verified statement with the county treasurer that the property is abandoned or a vacant lot. For additional information, refer to Iowa Code § 446.19A.

15. Tax Sale Publication

Copies of the official tax sale publication will be available for purchase beginning the week of June 5th, 2017 at a cost of \$5.00. Prospective tax sale bidders are limited to one copy per bidder number. The Treasurer will not mail the publication.

17. Adjourned Tax Sales

Adjourned tax sales are held at the Polk County Administration Building located at 111 Court Avenue in Des Moines. Bidders must submit properly completed and signed registration documents and fees to the Treasurer's Office in Room 155 before 5:00 p.m. on Thursday before the day of the adjourned tax sale. Bidders who purchased tax sale certificates at the June Annual Tax Sale do not need to submit new registration forms and documents for adjourned tax sales. Previously registered bidders must notify the Treasurer's Office by 5:00 p.m. on Thursday before the adjourned tax sale that they plan to attend the sale. The Treasurer's Office will provide the bidder with a bidder card to be used for bidding at the adjourned tax sale. Please refer to *Section 3: Bidding* for more information concerning the bidding process used during the adjourned tax sale.

18. Change of Address or Telephone Number

Buyers are required to notify the Polk County Treasurer's Office of any changes in address or telephone number. To request a change to a tax sale buyer address or telephone number, complete the enclosed 'Tax Sale Buyer Address Change Request' form and return it to the Polk County Treasurer's Office.

19. Americans with Disabilities Act

A bidder who qualifies under the 'Americans with Disabilities Act' and requires accommodation in relation to his/her disability must provide a health care provider's certificate containing proof of disability and a written request detailing the specific reasonable accommodation requested to the Polk County Treasurer's Office not less than thirty calendar days before the tax sale. This will allow the Treasurer time to provide appropriate and timely accommodations.

20. Non-resident Aliens and Foreign Businesses

Tax sale buyers are directed to take notice of legal restrictions regarding ownership of agricultural land by non-resident aliens and foreign businesses as presented in Iowa Code Chapter 9I. Non-resident aliens and foreign businesses are prohibited from bidding on parcels of land classified as 'agricultural'. All certificates purchased by a non-resident alien or foreign business bidder during the sale on agricultural land will be canceled and re-offered to other properly registered bidders. If payment has already been made, the payment, without interest, will be refunded upon cancellation of the tax sale certificate.

Non-resident aliens and foreign businesses must complete a 'W-8BEN' form. The form is used to establish foreign status, claim that such person or business is the beneficial owner of the income for which the form is being furnished, and if applicable, claim a reduced rate of, or exemption from, withholding under an income tax treaty between the United States and the buyer's country. The percentage of U.S. Federal tax

withholding applied to interest income earned will be 30% unless a reduced rate of, or exemption from, withholding is claimed on the 'W-8BEN' form.

Bidders should seek legal counsel to determine whether these restrictions or any IRS requirements are applicable to their specific situation.

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the Part I instructions on page 3. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN* on page 3.

Note. If the account is in more than one name, see the instructions for line 1 and the chart on page 4 for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. See the instructions on page 3.

General Instructions

Future developments. Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at www.irs.gov/fw9.

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)

- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding. See What is backup withholding? on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien;
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States;
- An estate (other than a foreign estate); or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity;
- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust; and
- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a "saving clause." Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

Backup Withholding

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS 28% of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),

3. The IRS tells the requester that you furnished an incorrect TIN,

4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or

5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* above.

What is FATCA reporting?

The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if the name or TIN changes for the account; for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Line 1

You must enter one of the following on this line; **do not** leave this line blank. The name should match the name on your tax return.

If this Form W-9 is for a joint account, list first, and then circle, the name of the person or entity whose number you entered in Part I of Form W-9.

a. **Individual.** Generally, enter the name shown on your tax return. If you have changed your last name without informing the Social Security Administration (SSA) of the name change, enter your first name, the last name as shown on your social security card, and your new last name.

Note. ITIN applicant: Enter your individual name as it was entered on your Form W-7 application, line 1a. This should also be the same as the name you entered on the Form 1040/1040A/1040EZ you filed with your application.

b. **Sole proprietor or single-member LLC.** Enter your individual name as shown on your 1040/1040A/1040EZ on line 1. You may enter your business, trade, or "doing business as" (DBA) name on line 2.

c. **Partnership, LLC that is not a single-member LLC, C Corporation, or S Corporation.** Enter the entity's name as shown on the entity's tax return on line 1 and any business, trade, or DBA name on line 2.

d. **Other entities.** Enter your name as shown on required U.S. federal tax documents on line 1. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on line 2.

e. **Disregarded entity.** For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a "disregarded entity." See Regulations section 301.7701-2(c)(2)(iii). Enter the owner's name on line 1. The name of the entity entered on line 1 should never be a disregarded entity. The name on line 1 should be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner's name is required to be provided on line 1. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded for federal tax purposes. Enter the disregarded entity's name on line 2, "Business name/disregarded entity name." If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Line 2

If you have a business name, trade name, DBA name, or disregarded entity name, you may enter it on line 2.

Line 3

Check the appropriate box in line 3 for the U.S. federal tax classification of the person whose name is entered on line 1. Check only one box in line 3.

Limited Liability Company (LLC). If the name on line 1 is an LLC treated as a partnership for U.S. federal tax purposes, check the "Limited Liability Company" box and enter "P" in the space provided. If the LLC has filed Form 8832 or 2553 to be taxed as a corporation, check the "Limited Liability Company" box and in the space provided enter "C" for C corporation or "S" for S corporation. If it is a single-member LLC that is a disregarded entity, do not check the "Limited Liability Company" box; instead check the first box in line 3 "Individual/sole proprietor or single-member LLC."

Line 4, Exemptions

If you are exempt from backup withholding and/or FATCA reporting, enter in the appropriate space in line 4 any code(s) that may apply to you.

Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with the person requesting this form if you are uncertain if the financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "Not Applicable" (or any similar indication) written or printed on the line for a FATCA exemption code.

A—An organization exempt from tax under section 501(a) or any individual retirement plan as defined in section 7701(a)(37)

Note. You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5

Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information returns.

Line 6

Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on this page), enter the owner's SSN (or EIN, if the owner has one). Do not enter the disregarded entity's EIN. If the LLC is classified as a corporation or partnership, enter the entity's EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

Part II. Certification

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

For a joint account, only the person whose TIN is shown in Part I should sign (when required). In the case of a disregarded entity, the person identified on line 1 must sign. Exempt payees, see *Exempt payee code* earlier.

Signature requirements. Complete the certification as indicated in items 1 through 5 below.

1. Interest, dividend, and barter exchange accounts opened before 1984 and broker accounts considered active during 1983. You must give your correct TIN, but you do not have to sign the certification.

2. Interest, dividend, broker, and barter exchange accounts opened after 1983 and broker accounts considered inactive during 1983. You must sign the certification or backup withholding will apply. If you are subject to backup withholding and you are merely providing your correct TIN to the requester, you must cross out item 2 in the certification before signing the form.

3. Real estate transactions. You must sign the certification. You may cross out item 2 of the certification.

4. Other payments. You must give your correct TIN, but you do not have to sign the certification unless you have been notified that you have previously given an incorrect TIN. "Other payments" include payments made in the course of the requester's trade or business for rents, royalties, goods (other than bills for merchandise), medical and health care services (including payments to corporations), payments to a nonemployee for services, payments made in settlement of payment card and third party network transactions, payments to certain fishing boat crew members and fishermen, and gross proceeds paid to attorneys (including payments to corporations).

5. Mortgage interest paid by you, acquisition or abandonment of secured property, cancellation of debt, qualified tuition program payments (under section 529), IRA, Coverdell ESA, Archer MSA or HSA contributions or distributions, and pension distributions. You must give your correct TIN, but you do not have to sign the certification.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, SSN, or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes. Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration (TIGTA) at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.ftc.gov/idtheft or 1-877-IDTHEFT (1-877-438-4338).

Visit IRS.gov to learn more about identity theft and how to reduce your risk.

Privacy Act Notice

Section 6109 of the Internal Revenue Code requires you to provide your correct TIN to persons (including federal agencies) who are required to file information returns with the IRS to report interest, dividends, or certain other income paid to you; mortgage interest you paid; the acquisition or abandonment of secured property; the cancellation of debt; or contributions you made to an IRA, Archer MSA, or HSA. The person collecting this form uses the information on the form to file information returns with the IRS, reporting the above information. Routine uses of this information include giving it to the Department of Justice for civil and criminal litigation and to cities, states, the District of Columbia, and U.S. commonwealths and possessions for use in administering their laws. The information also may be disclosed to other countries under a treaty, to federal and state agencies to enforce civil and criminal laws, or to federal law enforcement and intelligence agencies to combat terrorism. You must provide your TIN whether or not you are required to file a tax return. Under section 3406, payers must generally withhold a percentage of taxable interest, dividend, and certain other payments to a payee who does not give a TIN to the payer.
