

3 Steps to Becoming RapidSOS Ready

Entering your personal health information online allows the information to be shared with a dispatcher when you call 9-1-1 from your smart phone

ONE

Sign up and Create a Free Emergency Health Profile by Visiting

<https://www.emergencyprofile.org/>

TWO

If you have an emergency call 911

Office: 515-286-2107

THREE

Emergency Profile

The personal health information will be sent to the 911 dispatcher through RapidSOS
