Check one: Residential Commercial

Is the water service provided by Des Moines Water Works, whether currently active or not? Yes No
If yes, you must provide one of the following items from Des Moines Water Works (check which is provided):

- Taps Cut at Main Report (**Licensed Plumber must obtain a Plumbing Permit for disconnect with Polk County**)
- Application to Stub and Reuse Water Service Line
- Not Applicable (Not on Des Moines Water Works)

Your permit to demolish will not be issued until Polk County Public Works is in receipt of one of the above items.

An **Aerial** showing the proposed structure(s) for demolition is required and attached to this permit.

Is the property on Septic? Yes No
If yes, a Septic Abandonment Permit is also required prior to review of permit.

Provide a brief description of the demolition:

Contractor/Owner/Applicant Statement:

I understand that work must commence within 180 days from permit issuance date and be completed and inspected within one year from the permit issuance date, or this permit will be null and void. I understand that all work must be inspected and approved by Polk County and I must call for the final inspection on the demolition permit. I further understand that a Certificate of Compliance is required in accordance with applicable codes and ordinances.
