Section 3 - No Guarantee

Nothing in this clause shall be deemed as a guarantee of, or obligation to continue operations or any portion thereof, or as a guarantee of employment to any Employee.

ARTICLE II
HOURS OF WORK AND OVERTIME

Section 1 - Hours of Work

The Employer shall establish and post uniform hours of work for occupational groups and shifts. Except in emergency situations, two (2) working days' notice will be given to affected Employees of a change in the schedule of hours to be worked.

Employer agrees to negotiate schedule modifications and proposes any mutually agreed to scheduling concepts be part of a pilot program the parties incorporate into an MOU.

The fiscal year will be considered to contain 2087 hours for purposes of determining the bi-weekly and hourly rates of employees.

Except for the Field Headquarters, Patrol Division, the regular workday shall consist of eight (8) hours, except one (1) thirty (30) minute unpaid lunch break will be allowed at a mutually agreed upon time. Duty schedule assignments shall be made by the Sheriff. Employees shall not receive extra or bonus pay for Saturday or Sunday work as part of their assigned duty schedule.

Shift rotations for employees of Field Headquarters, Patrol Division, shall be based on a nine (9) hour shift, working five (5) days on duty, with a working lunch period, and three (3) days off duty and rotating days off in a twenty-eight (28) day work period. This schedule shall be enforced utilizing Letters of Understanding agreed to April 23, 2013 and November 14, 2013.

Section 2 – Overtime

Employees covered by this Agreement shall be compensated for authorized overtime work at one and one-half (1-1/2) times the Employee's regularly hourly rate for work under any of the following conditions:

- For Employees in Civil Service positions and Detention Officers, authorized work in excess of eighty (80) hours within an assigned duty schedule of fourteen calendar days.
- For other Employees in non-civil service positions, authorized work in excess of forty (40) hours within an assigned duty schedule of seven calendar days.

Upon the schedule(s) mutually agreed to by the parties the Employer agrees to discuss overtime language as part of those schedule negotiations.

Overtime pay shall be granted by the end of the subsequent pay period in which it was accrued. If the Sheriff is unable to meet the requirements of this Section due to a lack of appropriated funds, compensatory time at the rate of one and one-half (1-1/2) hours for each hour of overtime worked shall then be used as payment for overtime work, but compensation shall not be paid twice for the same hour. If compensatory time off is utilized, it shall be granted by the end of the subsequent quarter in which it is accrued.

Prescheduled overtime is intended as additional work time beyond the Employee's regular work schedule. Except in emergency situations, Employees shall be given at least sixteen (16) hours advance notice of prescheduled overtime.

Section 3 - Right to Require Overtime

Nothing herein shall be construed as a limitation on the Employer's right to require overtime work.

Employees required to remain after the end of their shift to cover manpower shortages on the oncoming shifts will be selected in the following manner. The Supervisor making the request shall first attempt to cover the shortfall by requesting volunteers to work over. All Employees working on the affected shift at the affected work location shall be notified of the overtime possibility. If no volunteers come forward by the time of ending roll call, the positions will be filled in order of seniority, with the least senior Employee(s) present being required to stay over.

The following restriction shall apply to Employees who are held over to cover shortages. When an Employee volunteers for the hold over his/her name is taken off the list. Once the lowest seniority Employee is held over his/her name is removed from the selection and the next lowest Employee becomes the selection and this process continues until all Employees on the shift have been expended or until the beginning of the next calendar month.

All opportunities for overtime shall be posted if the County is aware that such opportunity will be available twenty-fours or more in advance. The most senior Employee volunteering for such an opportunity shall be given the overtime but shall have their name removed from the list for overtime for the remainder of the month. If no volunteers come forward by the time of ending roll call, the positions will be filled in order of seniority, with the least senior

Employee(s) present being required to stay over.

Within any calendar month no Employee shall be held over or mandated to work more than once unless the entire list has been expended.

Section 4 - No Guarantee of Hours or Days

Nothing herein shall be construed as a guarantee to the Employee(s) of the number of hours of work per day or per duty schedule, or the number of days per duty schedule.

Section 5 - Prior Approval Required

Any work performed for the County outside the Employee's regularly scheduled work shift must have prior approval of the immediate supervisor, as designated by the Sheriff, to qualify for overtime pay as outlined above.

Except in emergencies that preclude the procedure an Employee shall not accumulate more than sixteen (16) hours of overtime in any one duty schedule if that Employee is assigned a duty schedule of five (5) days on duty and two (2) days off duty. Employees assigned to a duty schedule other than five (5) days on duty and two (2) days off duty shall not accumulate more than twenty-four (24) hours of overtime in any one duty schedule.

Section 6 - No Pyramiding of Premium Rates

Overtime shall not be paid more than once for the same hour's work. There shall be no pyramiding of premium rates for the same hour's work.

Section 7 - Shift Bidding

During the twenty-four (24) hour period of the first Monday in November of each calendar year, Employees regularly assigned to a job assignment within a division will be allowed to bid by seniority within their division the shift and days off within the shift. All shift bidding will be completed within seven (7) calendar days and bids will become effective beginning with the first full pay period in January of the following calendar year.

Bids will be honored according to civil service seniority for civil service Employees in any respective division(s).

The latest date of hire will be utilized as the seniority date for non-civil service Employees. For bidding purposes within the Jail Division seniority shall be determined by the most recent date of hire. URT Employees within the Jail Division shall have a separate shift bidding process.

Employees reassigned to a division or voluntarily transferring into a division will be offered any vacant position within the division. There will be no bumping allowed during the life of this agreement.

All job vacancies or new jobs within a division will be posted for bid within the division and seniority will prevail. The job vacancy created by the original posting will also be posted for bid and filled by seniority. All subsequent vacancies created will be filled by the Employer.

Any vacancy not filled by the bid process will be posted internally in the Sheriff's Office where Employees outside the division will be allowed to submit a written request to fill the vacancy. The Sheriff shall not be obligated to award the transfer to any Employee deemed not qualified. The Sheriff shall have the sole discretion in determining qualifications.

Section 8 – Shift Trades

Employees may trade shifts and/or days off with other Employees providing such trades do not create an overtime situation, and do not impair the operational efficiency of the operation. The Civil Service date shall become the permanent seniority date and shall not revert back to a civilian non-civil service date of hire, unless the Employee is no longer covered by the Civil Service Statute. Jail and Communications Divisions:

In the case of civilian non-civil service Employees, seniority shall be determined by the most recent date of full-time hire by the Polk County Sheriff's Office.

Service with the County in an excluded or exempt position shall not be applied in calculating seniority for application to the provisions contained in this Agreement except for the calculation of vacation and sick leave.

An Employee who is transferred, for whatever reason, from an excluded or exempt position to a position covered by the terms of this Agreement and who had previously occupied a position covered by the terms of this Agreement, shall have his/her previous service time in the included position re-established without loss and applied to his/her seniority for application to the provisions contained in this Agreement.
