Henry Leman Township

On the matter of the petition of William Leman, and others, asking that a highway be established as follows: Commencing at the Northeast corner of the North-west Quarter of Section 14, Township 31, Range 24, thence South one mile and terminating at the Southeast corner of the South-east Quarter of said Section 14 and Range 24, it is the desire of the petitioners that the road of the NW ¼ of said Section 31 be allowed the use of one half of said highway along said quarter section for the term of ten years to enable them to grow an apple orchard, instead of the one now occupying the half section line and which will necessarily be disturbed by the location of said highway as petitioned for.

Accompanying said petition was a bond for $10,000 in favor of the petitioners, said bond to be executed by Edward Parmalee, the bond to be approved by the Board of Commissioners of Polk County, and the same is signed by said board or designee.
