

Change of Use Permit Application

All property or portion of a property that changes or converts uses to a different use requires a Change of Use Permit. The request for Change of Use shall show that the property or the affected part thereof, is in conformity with the provisions of the Zoning Ordinance. The Zoning Administrator will issue the appropriate Change of Use certificate if all of the provisions of this Zoning Ordinance have been met. The Zoning Administrator will withhold Change of Use certificate if the requirements of the Zoning Ordinance have not been met or if violations are present during a required site inspection of the property.

Please complete the entire application and submit with the required documentation and fee.
