1. Yes, unless prohibited by local city ordinance (i.e. Ankeny and Altoona prohibit burning of landscape waste).
2. Intact structures can only be burned if part of a bona-fide training activity, if proper asbestos remediation is complete, and if the the IDNR has been notified.
3. Yes, but only if it is landscape waste originating on your property.
4. Yes, unless prohibited by local city ordinance.
5. Yes, you can apply for a clearing and grubbing permit. However, if there is any building inhabited by other than the landowner or tenant conducting the open burn within 1/4-mile, you must apply for a variance permit. The "variance" permit process involves a 2-week public notification and comment period for any residence within 1/4-mile of the burn site.

### Polk County Chapter V, Article I, Section 5-2 Definitions:

"**Garbage**" means all solid and semi-solid putrescible and nonputrescible animal and vegetable wastes resulting from the handling, preparing, cooking, storing, and serving of food or of material intended for use as food, but excluding recognized industrial by-products.

"**Landscape waste**" means any vegetable or plant wastes, except garbage. The term includes trees, tree trimmings, branches, stumps, brush, weeds, leaves, grass, shrubbery, and yard trimmings.

"**Recreational Fire**" means open fires burning untreated wood or charcoal, used solely for the non-commercial preparation of food or recreation.

"**Refuse**" means garbage, rubbish, and all other putrescible and nonputrescible wastes, except sewage and water-carried trade wastes.

"**Rubbish**" means all waste materials of nonputrescible nature.

"**Variance**" means a temporary waiver from rules, regulations or standards governing the quality, nature, duration or extent of emissions granted by the Health Officer for a specified period of time.
