Checklist of items to be filled out or completed prior to submitting the application packet:

- Pool permit application and checklist
- Detailed site plan drawing, showing fence location
- Proposed pool layout staked

Stipulations:

- No construction shall start until the permit is issued.
- All work must be permitted prior to inspections.
- Unresolved zoning, subdivision, floodplain and/or health items may delay the issuance of any permit. No structure should be used or occupied until the Certificate of Occupancy/Use is issued.
- An Electrical Permit must be applied for separately by a State licensed contractor.

Contractor/Owner/Applicant Statement:

Work must commence within 180 days from permit issuance date and be completed and inspected within one year from the permit issuance date, or the building permit will be null and void. I understand all work must be inspected and approved by Polk County prior to concealing any installation and that I must call for a final inspection. I further understand that a Certificate of Compliance or Certificate of Occupancy/Use is required in accordance with applicable codes and ordinances.

I have included all of the above checked items and I understand that all the items listed above must be reviewed and fees paid before a permit will be issued. I further understand that construction work cannot begin until the building permit has been issued. All information supplied by me is true and correct and to the best of my knowledge and belief.

I affirm I am the owner or licensed contractor of this property. I hereby acknowledge that I have read this permit and state that the information is correct and agree to comply with all ordinances and state and federal laws regulating activities covered by this permit.
