Polk County Conservation Board

Explore over 12,000 acres of prairies, wetlands, woodlands, trails, and parks. Located in the state's most populated county, Polk County Conservation Board manages 20 parks, wildlife areas, and recreational trails.

Polk County Conservation Board offers year-round educational programs, volunteer opportunities, and trips to the public. Allow us to provide you with beautiful parks and wildlife areas, along with educational experiences that will add to your knowledge about conservation and the protection of Polk County's natural heritage.

We have something for everyone. Plan a family picnic, golf 18 holes on a championship course, canoe down the river, reel in a trophy fish, ride horseback along Saylorville Lake, utilize public hunting areas or get some exercise biking on a multi-use trail. Come meet our Polk County Conservation Family of Parks.

Mission Statement:

The Polk County Conservation Board's mission is to provide the citizens of Polk County with quality outdoor recreation, conservation education, and long-term protection of Polk County's natural heritage.
