Polk County Chapter V, Article I, Section 5-2 Definitions:

"**Agricultural Structures**" means barns, machine sheds, storage cribs, animal confinement buildings, and homes located on the premises and used in conjunction with crop production, livestock or poultry raising and feeding operations.

"**Landscape waste**" means any vegetable or plant wastes, except garbage. The term includes trees, tree trimmings, branches, stumps, brush, weeds, leaves, grass, shrubbery, and yard trimmings.

"**Trade waste**" means all solid or liquid material or rubbish resulting from building operations, construction, demolition operations, or the conduct of any business industry, governmental or institutional activity, or trade, including, but not limited to, chemicals, cinders, grease, paint, plastic products, and other forms of liquid or solid waste materials, whether or not for profit.

"**Variance**" means a temporary waiver from rules, regulations or standards governing the quality, nature, duration or extent of emissions granted by the Health Officer for a specified period of time.
