

Polk County Conservation

Miscellaneous

Special Projects: Leave a lasting mark in our parks and along our trails by participating in special projects and events that require extra attention. Email Pat or Melissa to see if we can put your unique skills and knowledge to work or to keep updated via email on the latest projects. No experience - no worries! All training to participate in various projects will be provided.

Individual/Group Volunteer Efforts: Eagle Scouts, high school, college students, organizations and corporations often carry out projects for PCC. Project examples include trail work, construction of park amenities (benches and/or nesting boxes), prairie/wetland research and restoration, wildlife inventories, fence line removal, etc.

Fill out and submit a Volunteer Application Form to Pat Spain at pat.spain@polkcountyiowa.gov or Melissa Schmeling at melissa.schmeling@polkcountyiowa.gov
